(a) For the purpose of providing funds to (i) refund all or a portion of the Refunded Bonds and (ii) pay bond issuance costs, all as more fully set out in Section 10 hereof, there are hereby authorized to be issued electric system revenue refunding bonds of the Municipality in the aggregate principal amount of not to exceed \$52,000,000. Such bonds shall be issued in fully registered form, without coupons, shall, subject to adjustments permitted herein under Section 9, be known as "Electric System Revenue Refunding Bonds" and shall be dated their issue date, or such other date as shall be determined by the Mayor pursuant to Section 9 hereof. The Series 2013 Bonds shall bear interest at rate not to exceed five percent (5.00%) per annum, payable (subject to adjustments permitted under Section 9 hereunder) semi-annually on March 1 and September 1 in each year, commencing September 1, 2013. The Series 2013 Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the Underwriter. The Series 2013 Bonds shall mature on each September 1, commencing no earlier than September 1, 2013 and ending no later than September 1, 2032, in such amounts as shall be established by the Mayor, in consultation with the President of the Board, and set forth in the Bond Purchase Agreement, taking into account the cash flow and operational needs of the System.

(b) Subject to adjustments permitted in Section 9 hereof,

- (i) the Series 2013 Bonds maturing on or before September 1, 2023 shall not be subject to optional redemption. The Series 2013 Bonds maturing on or after September 1, 2024 shall be subject to redemption at the option of the Municipality, upon direction of the Board, at any time on or after September 1, 2023, in whole or part, at price of par plus interest accrued to the redemption date.

- (ii) Except as set forth below, if less than all the Series 2013 Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Board in its discretion. If less than all of the Series 2013 Bonds within a single maturity shall be called for redemption, the Series 2013 Bonds within the maturity to be redeemed shall be selected as follows:

- (A) if the Series 2013 Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Series 2013 Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(B) if the Series 2013 Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Series 2013 Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

(c) Pursuant to Section 9 hereof, the Mayor, in consultation with the President of the Board, is authorized to sell the Series 2013 Bonds, or any maturities thereof, as term bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the Mayor, in consultation with the President of the Board. In the event any or all the Series 2013 Bonds are sold as term bonds, the Municipality shall redeem such term bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity amounts set forth herein for each redemption date, as such maturity amounts may be adjusted pursuant to Section 9 hereof, at a price of par plus accrued interest thereon to the date of redemption. The term bonds to be so redeemed shall be selected by lot or in such other random manner as the Registration Agent in its discretion may designate.

At its option, to be exercised on or before the 45th day next preceding any such mandatory redemption date, the Municipality may (i) deliver to the Registration Agent for cancellation Series 2013 Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Series 2013 Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Series 2013 Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the Municipality on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Series 2013 Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Municipality shall on or before the 45th day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

(d) Notice of call for redemption shall be given by the Registration Agent on behalf of the Municipality not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Series 2013 Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Series 2013 Bonds for which proper notice was given. The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Series 2013 Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Series 2013 Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Series 2013 Bonds and provision of notices with respect to Series 2013 Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Series 2013 Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this section. The Registration Agent shall mail said notices as and when directed by the Municipality pursuant to written instructions from an authorized representative of the Municipality given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be

satisfactory to the Registration Agent). From and after the redemption date, all Series 2013 Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein.

(e) The Municipality hereby authorizes and directs the Mayor to appoint the Registration Agent and authorize and direct the Registration Agent to maintain bond registration records with respect to the Series 2013 Bonds, to authenticate and deliver the Series 2013 Bonds as provided herein, either at original issuance, upon transfer, or as otherwise directed by the Municipality, to effect transfers of the Series 2013 Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Series 2013 Bonds as provided herein, to cancel and destroy Series 2013 Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the Municipality at least annually a certificate of destruction with respect to Series 2013 Bonds canceled and destroyed, and to furnish the Municipality at least annually an audit confirmation of Series 2013 Bonds paid, Series 2013 Bonds outstanding and payments made with respect to interest on the Series 2013 Bonds. The Mayor is hereby authorized to execute and the City Clerk is hereby authorized to attest any such written agreement between the Municipality and the Registration Agent as they shall deem necessary or proper with respect to the Registration Agent's obligations with respect to the Series 2013 Bonds. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

(f) The Series 2013 Bonds shall be payable, principal and interest, in lawful money of the United States of America at the office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Series 2013 Bonds on each interest payment date directly to the registered owners as shown on the bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owners at their addresses shown on said bond registration records, without, except for final payment, the presentation or surrender of such registered Series 2013 Bonds, and all such payments shall discharge the obligations of the Municipality in respect of such Series 2013 Bonds to the extent of the payments so made. Payment of principal of the Series 2013 Bonds shall be made upon presentation and surrender of such Series 2013 Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a 360 day year composed of twelve months of 30 days each. If requested by any registered owner (including DTC) of at least \$1,000,000 in aggregate principal amount of the Series 2013 Bonds, payment of interest on such Series 2013 Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.

(g) Any interest on any Series 2013 Bond which is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid to the persons in whose names the Series 2013 Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the Municipality shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Series 2013 Bond and the date of the proposed payment, and at the same time the Municipality shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which Date shall be not more than 15 nor less

than ten days prior to the date of the proposed payment to the registered owners. The Registration Agent shall promptly notify the Municipality of such Special Record Date and, in the name and at the expense of the Municipality, not less than ten days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, to each registered owner at the address thereof as it appears in the bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Series 2013 Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the Municipality to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Series 2013 Bonds when due.

(h) The Series 2013 Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Series 2013 Bond(s) to be transferred with the form of assignment on the last page thereof completed in full and signed with the name of the registered owner as it appears upon the face of the Series 2013 Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Series 2013 Bond(s) in such form and with such documentation, if any, required by the Registration Agent, the Registration Agent shall issue a new Series 2013 Bond or Series 2013 Bonds to the assignee(s) in \$5,000 denominations or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Series 2013 Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Series 2013 Bond, nor to transfer or exchange any Series 2013 Bond after notice calling such Series 2013 Bond for redemption has been made, nor to transfer or exchange any Series 2013 Bond during the period following the receipt of instructions from the Municipality to call such Series 2013 Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Series 2013 Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Series 2013 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Municipality nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Series 2013 Bonds shall be overdue. Series 2013 Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of Series 2013 Bonds of the same maturity in any authorized denomination or denominations.

(i) The Series 2013 Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the Municipality with the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the City Clerk.

(j) Notwithstanding anything contained herein to the contrary, the Series 2013 Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Series 2013 Bonds. References in this Section to a Series 2013 Bond or the Series 2013 Bonds shall be construed to mean the Series 2013 Bond or the Series 2013 Bonds that are held under the Book-Entry System. One Series 2013 Bond for each maturity shall be issued to DTC and immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Series 2013 Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Series 2013 Bonds. Beneficial ownership interests in the Series 2013 Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Series 2013 Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner

purchased its Series 2013 Bonds. Transfers of ownership interests in the Series 2013 Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE SERIES BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE SERIES 2013 BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Series 2013 Bonds, so long as DTC is the only owner of the Series 2013 Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co. as provided in the Letter of Representation relating to the Municipality. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The Municipality and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Series 2013 Bonds or (2) the Municipality determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Series 2013 Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the Municipality shall discontinue the Book-Entry System with DTC. If the Municipality fails to identify another qualified securities depository to replace DTC, the Municipality shall cause the Registration Agent to authenticate and deliver replacement Series 2013 Bonds in the form of fully registered Series 2013 Bonds to each Beneficial Owner.

THE MUNICIPALITY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE SERIES 2013 BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE SERIES 2013 BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE SERIES 2013 BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Series 2013 Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Series 2013 Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Series 2013 Bonds and provision of notices with respect to Series 2013 Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Series 2013 Bonds, provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section.

(l) The Registration Agent is hereby authorized to authenticate and deliver the Series 2013 Bonds to the Underwriter or as it may designate upon receipt by the Municipality of the proceeds of the

sale thereof, to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an authorized representative thereof on the certificate set forth herein on the bond form.

(m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the Municipality, in its discretion, shall issue, and the Registration Agent, upon written direction from the Municipality, shall authenticate and deliver, a new Series 2013 Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Series 2013 Bond, or in lieu of and in substitution for such lost, stolen or destroyed Series 2013 Bond, or if any such Series 2013 Bond shall have matured or shall be about to mature, instead of issuing a substituted Series 2013 Bond the Municipality may pay or authorize payment of such Series 2013 Bond without surrender thereof. In every case the applicant shall furnish evidence satisfactory to the Municipality and the Registration Agent of the destruction, theft or loss of such Series 2013 Bond, and indemnity satisfactory to the Municipality and the Registration Agent; and the Municipality may charge the applicant for the issue of such new Series 2013 Bond an amount sufficient to reimburse the Municipality for the expense incurred by it in the issue thereof.

Section 4. Source of Payment. The principal of and interest on the Series 2013 Bonds shall be payable solely from and be secured by a pledge of the Net Revenues to be derived from the operation of the System as provided in the Master Resolution, on a parity and equality of lien with the outstanding Series 2004 Bonds, the Series 2007 Bonds, Series 2010 Bonds and any bonds hereafter issued on a parity therewith. The punctual payment of principal of and premium, if any, and interest on the Series 2013 Bonds, the Series 2004 Bonds, the Series 2007 Bonds, Series 2010 Bonds and any bonds hereafter issued on a parity therewith shall be secured equally and ratably by said Net Revenues without priority by reason of series, number or time of sale or delivery. The owners of the Series 2013 Bonds shall have no recourse to the power of taxation of the Municipality or any other funds or monies thereof, other than the Net Revenues of the System.

Section 5. Form of Series 2013 Bonds. The Series 2013 Bonds shall be in substantially the following form, the omissions to be appropriately completed when the Series 2013 Bonds are prepared and delivered:

KNOW ALL MEN BY THESE PRESENTS: That the City of Clarksville, Tennessee, a municipal corporation lawfully organized and existing in Montgomery County, Tennessee (the "Municipality"), for value received hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth, and to pay interest on said principal amount at the annual rate of interest hereinabove set forth from the date hereof until said maturity date, said interest being payable on [September 1, 2013], and semi-annually thereafter on the first day of March and September in each year until this Bond matures or is redeemed. Both principal hereof and interest hereon are payable in lawful money of the United States of America by check or draft at the corporate trust office of _____, as registration agent and paying agent (the "Registration Agent"). The Registration Agent shall make all interest payments with respect to this Bond by check or draft on each interest payment date directly to the registered owner hereof shown on the bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owner at such owner's address shown on said bond registration records (unless the registered owner is DTC, as defined herein, in which case payment shall be in accordance with the policies of DTC), without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the Municipality to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal on the Bonds shall be made upon presentation and surrender of this Bond to the Registration Agent.

Notwithstanding anything herein or in the Resolution (as hereinafter defined) to the contrary, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution (as hereafter defined), pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the Municipality and the Registration Agent shall treat Cede & Co., as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not

taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the Municipality nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the Municipality determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the Municipality may discontinue the book-entry system with DTC. If the Municipality fails to identify another qualified securities depository to replace DTC, the Municipality shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner. Neither the Municipality nor the Registration Agent shall have any responsibility or obligations to any DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy of any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners, (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

[The Bonds of the issue of which this Bond is one, maturing on or after September 1, 2024, shall be subject to redemption prior to maturity at the option of the Municipality on or after September 1, 2023, as a whole or in part at any time at the redemption price of par plus interest accrued to the redemption date.]

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Municipality, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

(a) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(b) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the Municipality shall redeem Bonds maturing _____ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC, or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall select. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

Final Maturity	Redemption Date	Principal Amount of Bonds Redeemed
-------------------	--------------------	--

***Final Maturity**

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the Municipality may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and canceled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the Municipality on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The Municipality shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of call for redemption, whether mandatory or optional, shall be given by the Registration Agent not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any such defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the Municipality nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth in the Bond Resolution, as hereafter defined.

If this Bond is no longer registered in the name of Cede & Co. as nominee for DTC, this Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer a new Bond or Bonds of authorized

denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the Municipality nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the Municipality to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$_____ and issued by the Municipality for the purpose of providing funds to (i) refund the Municipality's outstanding Electric System Revenue Refunding and Improvement Bonds, Series 2004, dated January 1, 2004 (the "Series 2004 Bonds"), maturing [September 1, 2014 through September 1, 2023, inclusive], and Electric System Revenue Bonds, Series 2007, dated March 29, 2007 (the "Series 2007 Bonds"), maturing [September 1, 2018 through September 1, 2028, inclusive, and September 1, 2032], and (ii) pay of the costs of issuance and sale of the Bonds, under and in full compliance with the constitution and statutes of the State of Tennessee, including Sections 7-34-101 et seq. and Sections 9-21-101 et seq., Tennessee Code Annotated, as amended, and pursuant to a resolution duly adopted by the City Council of the Municipality on December 4, 2003, as amended and supplemented by resolutions on March 1, 2007, December 15, 2009 and May 2, 2013 (collectively, the "Resolution").

This Bond, and interest hereon, are payable solely from and secured by a pledge of the income and revenues to be derived from the operation of the System, subject only to the payment of the reasonable and necessary costs of operating, maintaining, repairing, and insuring the System on a complete parity and equality of lien with the Municipality's outstanding Series 2004 Bonds, Series 2007 Bonds and Electric System Revenue Bonds, Series 2010A, dated January 27, 2010 (the "Series 2010 Bonds"). As provided in the Resolution, the punctual payment of principal of and interest on the series of Bonds of which this Bond is one, the Series 2004 Bonds, the Series 2007 Bonds, the Series 2010 Bonds and any other bonds issued on a parity therewith pursuant to the terms of the Resolution, shall be secured equally and ratably by said revenues without priority by reason of series, number or time of sale or delivery. The owner of this Bond shall have no recourse to the power of taxation of the Municipality. The Municipality has covenanted and does hereby covenant that it will fix and impose such rates and charges for the services rendered by the System and will collect and account for sufficient revenues to pay promptly the principal of and interest on this Bond and the issue of which it is a part, as each payment becomes due. For a more complete statement of the general covenants and provisions pursuant to which this Bond is issued, reference is hereby made to the Resolution.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) inheritance, transfer and estate taxes, (b) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (c) Tennessee franchise taxes by reason of the inclusion of the book value of the Bonds in the Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the Municipality has caused this Bond to be signed by its Mayor and attested by its City Clerk, all as of the date hereinabove set forth.

Section 9. Sale of Bonds.

(a) The Series 2013 Bonds shall be sold at negotiated sale to the Underwriter at a price of not less than 99% of par, exclusive of original issue discount, plus accrued interest, as shall be determined by the Mayor in consultation with the President of the Board. The sale of the Series 2013 Bonds, in one or more series, to the Underwriter shall be binding on the Municipality, and no further action of the Governing Body with respect thereto shall be required.

(b) To facilitate the sale of the Series 2013 Bonds in a manner that is in the best interest of the Municipality, the Mayor, in consultation with the President of the Board, is authorized to:

(vi) sell the Series 2013 Bonds or any maturities thereof as serial bonds or term bonds with mandatory redemption requirements corresponding to the maturity dates set forth herein or as otherwise determined by the Mayor, as she shall deem most advantageous to the Municipality; and

All decisions by the Mayor made pursuant to this subsection shall be binding on the Municipality, and no further action of the Governing Body with respect thereto shall be required.

(c) Notwithstanding anything herein to the contrary, the Series 2013 Bonds shall not be sold unless the debt service savings resulting therefrom exceeds three percent (expressed as a percentage of the par amount of the Refunded Bonds selected for refunding).

(e) The Mayor of the Municipality is hereby authorized to execute and the City Clerk is authorized to attest the Bond Purchase Agreement with the Underwriter of the Series 2013 Bonds, providing for the purchase and sale of the Series 2013 Bonds, in one or more series. The form of Bond Purchase Agreement attached hereto as Exhibit A is hereby in all respects approved and the Mayor of the Municipality and the City Clerk are hereby authorized and directed to execute and deliver the same on

behalf of the Municipality in substantially the form attached hereto as Exhibit A, with such changes as may be approved by the Mayor, her execution thereof to constitute conclusive evidence of her approval of all such changes, provided the Bond Purchase Agreement effects the sale of the Series 2013 Bonds in accordance with the provisions of this resolution, and is not inconsistent with the terms hereof.

Section 10. Disposition of Bond Proceeds. The proceeds of the sale of the Series 2013 Bonds shall be used and applied as follows:

(a) an amount, which together with investment earnings thereon and legally available funds of the Municipality, if any, will be sufficient to pay principal of, premium, if any, and interest on the Refunded Bonds designated for refunding shall be transferred to the Escrow Agent under the Refunding Escrow Agreement to be deposited to the Escrow Fund established thereunder to be held and applied as provided therein; and

(b) the remainder of the proceeds of the sale of the Series 2013 Bonds shall be used to pay the costs of issuance and sale of the Series 2013 Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, bond insurance premium, if any, administrative and clerical costs, rating agency fees, Registration Agent fees and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Series 2013 Bonds.

Section 11. Official Statement. The Mayor of the Municipality and the President of the Board are hereby authorized and directed to provide for the preparation and distribution of Preliminary Official Statement describing the Series 2013 Bonds and the Municipality. The Mayor of the Municipality and the President of the Board, or either of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The Mayor of the Municipality and the President of the Board, or either of them, shall arrange for the delivery to the Underwriter of a reasonable number of copies of the Official Statement within seven business days after the Series 2013 Bonds have been sold for delivery by the Underwriter to each potential investor requesting a copy of the Official Statement.

The Mayor of the Municipality and the President of the Board, or either of them, are authorized, on behalf of the Municipality, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the Municipality except for the omission in the Preliminary Official Statement of such pricing and other information.

Section 12. Refunding Escrow Agreement. For the purpose of providing for the payment of the principal of, premium, if any, and interest on all or a portion of the Refunded Bonds, the Mayor is hereby authorized and directed to execute and the City Clerk to attest on behalf of the Municipality the Refunding Escrow Agreement with the Escrow Agent and to deposit with the Escrow Agent the amounts to be used by the Escrow Agent to purchase Government Securities as provided therein; provided, however, that the yield on such investments shall be determined in such manner that none of the Series 2013 Bonds will be an "arbitrage bond" within the meaning of Section 148(a) of the Code. The form of the Refunding Escrow Agreement presented to this meeting and attached hereto as Exhibit B is hereby in all respects approved and the Mayor and the City Clerk are hereby authorized and directed to execute and deliver the same on behalf of the Municipality in substantially the form thereof presented to this meeting, or with such changes as may be approved by the Mayor and the City Clerk, their execution thereof to constitute conclusive evidence of their approval of all such changes, including modifications to the Refunding Escrow Agreement. The Municipality hereby authorizes and directs the Mayor to appoint the Escrow Agent, and the Escrow Agent so appointed is hereby authorized and directed to hold and

administer all funds deposited in trust for the payment when due of principal of, premium, if any, and interest on all or a portion of the Refunded Bonds and to exercise such duties as set forth in the Refunding Escrow Agreement.

Section 13. Redemption of the Refunded Bonds. The Mayor and City Clerk, or either of them, are hereby authorized and directed to take all steps necessary to redeem the Refunded Bonds designated for refunding at their earliest possible redemption date, including the giving of and publication of any redemption notice as required by the resolutions authorizing the issuance of said Refunded Bonds.

Section 14. Notice of Refunding. Prior to the issuance of the Series 2013 Bonds, notice of the Municipality's intention to refund the Refunded Bonds designated for refunding, to the extent required by applicable law, shall be given by the registration agent for said Refunded Bonds to be mailed by first-class mail, postage prepaid, to the registered holders thereof, as of the date of the notice, as shown on the bond registration records maintained by the registration agent of said Refunded Bonds. The Mayor and the City Clerk, or either of them, is hereby authorized and directed to authorize the registration agent of said Refunded Bonds to give such notices on behalf of the Municipality in accordance with this Section.

Section 15. Continuing Disclosure. The Municipality hereby covenants and agrees that it will provide financial information and certain event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Series 2013 Bonds. The Board shall have the responsibility for providing such information and notices on behalf of the Municipality. The President of the Board is authorized to execute at the closing of the sale of the Series 2013 Bonds, an agreement for the benefit of and enforceable by the owners of the Series 2013 Bonds specifying the details of the financial information and event notices to be provided and specifying the Board's obligation to provide such disclosure on the Municipality's behalf. Failure of the Board to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Series 2013 Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the Board to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 16. Federal Tax Matters. The Municipality recognizes that the purchasers and owners of the Series 2013 Bonds will have accepted them on, and paid therefor a price that reflects, the understanding that interest thereon is exempt from federal income taxation under laws in force on the date of delivery of the Series 2013 Bonds. In this connection, the Municipality agrees that it shall take no action that may render the interest on any of the Series 2013 Bonds subject to federal income taxation. It is the reasonable expectation of the Governing Body of the Municipality that the proceeds of the Series 2013 Bonds will not be used in a manner which will cause such bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, including any lawful regulations promulgated or proposed thereunder, and to this end the proceeds of the Series 2013 Bonds and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of any Series 2013 Bonds to the United States government, it will make such payments as and when required by said Section 148(f) and will take such other actions as shall be necessary or permitted to prevent the interest on the Series 2013 Bonds from becoming taxable. The Mayor and the President of the Board are authorized and directed to make such certifications in this regard in connection with the sale of the Series 2013 Bonds as they shall deem appropriate, and such certifications shall constitute a representation and certification of the Municipality and the Board, respectively. The Series 2013 Bonds shall be subject to the Municipality's Federal Tax Policies and Procedures adopted by the Governing Body.

Section 17. Separability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Compliance with Debt Management Policy. The Municipality has adopted a debt management policy, as required by the State Funding Board of the State of Tennessee. The Governing Body hereby finds that the issuance and sale of the Series 2013 Bonds, as proposed herein, is consistent with the Municipality's debt management policy. Specifically, (a) the refunding will achieve the minimum threshold debt service savings contemplated by our debt management policy, and (b) the debt service and issuance costs of the transaction have been fully disclosed insofar as the Director of State and Local Finance's report on plan of refunding is attached hereto as Exhibit C. The Governing Body hereby delegates to the Mayor, the Finance Director and the President of the Board, or any of them, the authority to obtain and review the Underwriter's take-down information prior to the pricing of the Series 2013 Bonds, as prescribed by our debt management policy.

Section 19. Repeal of Conflicting Resolutions and Effective Date. All resolutions and orders, or parts thereof, in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

Attention: Mayor

To the Addressee:

The undersigned, Wiley Bros.-Aintree Capital, LLC, Nashville, Tennessee (the “Underwriter”), being duly authorized, hereby offers to enter into this Bond Purchase Agreement (this “Purchase Contract”) with the City of Clarksville, Tennessee (the “Issuer”) for the purchase by the Underwriter and the sale by the Issuer of the Bonds referred to in Section 1 hereof. This offer is made subject to acceptance by the Issuer of this Purchase Contract, which acceptance shall be evidenced by the execution of this Purchase Contract by a duly authorized officer of the Issuer prior to 11:59 p.m., Central Time, on _____, 2013. Upon such acceptance and execution, this Purchase Contract shall be in full force and effect in accordance with its terms and shall be binding upon the Issuer and the Underwriter. Capitalized terms used herein not otherwise defined herein have the meanings assigned to them in the Resolution referred to in Section 2 hereof.

SECTION 1. Upon the terms and conditions and based on the representations, warranties and covenants hereinafter set forth, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell to the Underwriter all (but not less than all) of its Electric System Revenue Refunding Bonds, Series 2013 in an aggregate principal amount of \$_____ (the “Series 2013 Bonds”), at the purchase price of \$_____ (which is equal to par, plus net original issue premium of \$_____, less Underwriter’s discount of \$_____).

SECTION 2. The Series 2013 Bonds shall be as described in, and shall be authorized by, and secured pursuant to, a resolution of the Issuer adopted on December 4, 2003, as supplemented on March 1, 2007, December 15, 2009 and May 2, 2013 (the “Resolution”). Under the terms of the Resolution, the Issuer has created a first lien on the Net Revenues of the Issuer’s electric system (the “System”) as security for the Series 2013 Bonds and the Issuer’s Electric System Revenue Refunding and Improvement Bonds, Series 2004 (the “Series 2004 Bonds”), the Issuer’s Electric System Revenue Bonds, Series 2007 (the “Series 2007 Bonds”), the Issuer’s Electric System Revenue Bonds, Series 2010A (the “Series 2010 Bonds”) and any parity bonds hereafter issued (the “Parity Bonds”). Interest on the Series 2013 Bonds shall be payable on March 1 and September 1 of each year, beginning

September 1, 2013. The Series 2013 Bonds shall bear interest from their dated date at the rates, shall mature in the amounts and shall be subject to optional redemption as set forth in Schedule I hereof.

SECTION 3. The proceeds to be received by the Issuer from the sale of the Series 2013 Bonds will be used to (i) refund the Issuer's Series 2004 Bonds, maturing [September 1, 2014 through September 1, 2023, inclusive], and Series 2007 Bonds, maturing [September 1, 2018 through September 1, 2028, inclusive, and September 1, 2032] (collectively, the "Refunded Bonds") and (ii) pay the costs of issuing the Series 2013 Bonds.

SECTION 4. The Underwriter agrees to make a bona fide initial offering to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) of all of the Series 2013 Bonds of each maturity at prices not greater than, and yields not less than, those set forth in Schedule I hereto. If such public offering does not result in the sale of all Series 2013 Bonds, the Underwriter may offer and sell the Series 2013 Bonds without any request or prior notice to certain bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers at prices lower than the public offering prices or yields higher than the yields as set forth in Schedule I hereto; provided, however, the Underwriter reasonably expects that, based upon prevailing market conditions, at least ten (10%) percent of each maturity of each of the Series 2013 Bonds will be sold to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at initial offering prices not greater than, or yields less than, those shown on Schedule I hereto in the bona fide initial offering to the public.

The Underwriter certifies that at the time of the execution of this Bond Purchase Agreement, based upon the prevailing market conditions, the Underwriter does not have any reason to believe that any of the Series 2013 Bonds will be initially sold by the Underwriter to the public (excluding such bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices greater than, or yields less than, those set forth in Schedule I hereto. At the Closing, as a condition to the Issuer's obligation to deliver the Series 2013 Bonds, the Underwriter shall deliver to the Issuer a certificate to such effect in order to enable Bond Counsel to render its opinion as to the exclusion from gross income tax purposes of interest on the Series 2013 Bonds under the Internal Revenue Code of 1986, as amended (the "Code").

SECTION 5. The Issuer has caused to be prepared a Preliminary Official Statement, dated _____, 2013 (such Preliminary Official Statement, including the cover page and all appendices thereto, and any amendments and supplements thereto that may be authorized by the Issuer for use with respect to the Series 2013 Bonds being herein called the "Preliminary Official Statement"), which the Issuer has authorized to be circulated, and the Issuer consents to the use of the Preliminary Official Statement by the Underwriter prior to the date hereof in connection with the offering of the Series 2013 Bonds. The Issuer hereby certifies to the Underwriter that the Preliminary Official Statement, as of its date, was deemed final for purposes of Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "1934 Act"), except for information concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity and delivery dates. Within seven (7) business days after the acceptance and execution of this Purchase Contract by the Issuer, the Issuer shall deliver to the Underwriter copies (in sufficient quantity to enable the Underwriter to comply with paragraph (b)(4) of Rule 15c2-12 of the 1934 Act (the "Rule") and the rules of the Municipal Securities Rulemaking Board (the "MSRB")) of an Official Statement, dated the date hereof, substantially in the form of the Preliminary Official Statement, with only such changes therein or modifications thereof (including without limitation any changes in or modifications of any of the appendices thereto) as shall have been accepted and approved by the Underwriter in its discretion, which Official Statement shall have been duly executed on behalf of the Issuer (such Official Statement, including the cover page and all

appendices thereto and any amendments and supplements thereto that may be authorized by the Issuer for use with respect to the Series 2013 Bonds being herein called the “Official Statement”). The Issuer hereby consents to the use of copies of the Official Statement, the Resolution and other pertinent documents in connection with the offering and sale of the Series 2013 Bonds.

SECTION 6. In order to assist the Underwriter in complying with the Rule, the Issuer has covenanted for the benefit of the owners of the Series 2013 Bonds to provide notices of the occurrence of certain events and to provide certain financial information and operating data relating to the Issuer to the MSRB’s Electronic Municipal Market Access System, pursuant to a Disclosure Certificate, dated the date hereof (the “Disclosure Certificate”).

SECTION 7. The Issuer hereby represents and warrants to and covenants with the Underwriter as follows:

(a) The Issuer is a municipal corporation of the State of Tennessee duly created and validly existing.

(b) The Issuer has all necessary licenses and permits to operate the System and is authorized under the laws of the State of Tennessee (i) to adopt the Resolution and perform its obligations thereunder; (ii) to issue, execute, deliver and perform its obligations under the Series 2013 Bonds; (iii) to execute, deliver and perform its obligations under this Purchase Contract, the Disclosure Certificate and the Refunding Escrow Agreement, dated as of Closing, between the Issuer and _____, as escrow agent (collectively, the “Issuer Documents”); (iv) to execute and distribute the Official Statement; and (v) to carry out and consummate all of the transactions contemplated on its part the Issuer Documents and the Official Statement.

(d) The Resolution is, and the Issuer Documents, when executed and delivered, will constitute, the legal, valid and binding obligations of the Issuer, enforceable in accordance with their respective terms. The Series 2013 Bonds, when issued, executed, delivered and paid for as herein provided, will constitute the legal, valid and binding limited obligations of the Issuer enforceable in accordance with their terms and entitled to the benefits and security of the Resolution. The Series 2013 Bonds, the Series 2010 Bonds, the Series 2007 Bonds, the Series 2004 Bonds and any Parity Bonds shall be limited obligations of the Issuer, payable from and secured by a first lien on the Net Revenues of the System, and shall not constitute a general obligation of the Issuer or the State of Tennessee, or any political subdivision thereof, and neither the faith nor credit of the Issuer or the State of Tennessee, or any political subdivision thereof, shall be pledged to the payment of the Series 2013 Bonds.

(e) The Issuer will apply the proceeds from the sale of the Series 2013 Bonds as specified in the Resolution, the Official Statement and this Purchase Contract.

(f) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or, to the knowledge of the Issuer, threatened against or affecting the Issuer (or, to the knowledge of the Issuer, any meritorious

basis therefor) (i) attempting to limit, enjoin or otherwise restrict or prevent the Issuer from functioning or contesting or questioning the existence of the Issuer or the titles of the present officers of the Issuer to their offices; or (ii) wherein an unfavorable decision, ruling or finding would (A) adversely affect the existence or powers of the Issuer or the validity or enforceability of the Resolution, the Series 2013 Bonds, the Issuer Documents or any agreement or instrument to which the Issuer is a party and which is used or contemplated for use in the consummation of the transactions contemplated by the Issuer Documents and the Official Statement; or (B) materially adversely affect (1) the financial condition or results of operations of the System; (2) the ability of the Issuer to set rates, as set forth in the Resolution; (3) the transactions contemplated by the Issuer Documents and the Official Statement; or (4) the exemption of the interest on the Series 2013 Bonds from federal or State of Tennessee income taxation.

(g) The adoption of the Resolution and the performance of its obligations thereunder, the issuance, execution, delivery and performance of its obligations under the Series 2013 Bonds, the execution, delivery and performance of its obligations under the Issuer Documents, the execution and distribution of the Official Statement, and the carrying out and consummation of the transactions contemplated on its part by the Issuer Documents and the Official Statement will not conflict with or constitute on the part of the Issuer a violation of, breach of or default under (i) any constitutional provision, statute, indenture, mortgage, lease, resolution, note agreement or other agreement or instrument to which the Issuer is a party or by which the Issuer or any of its properties is bound; or (ii) any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Issuer or any of its properties.

(h) The Issuer is not in breach of or default under the Resolution, any constitutional provision, statute, indenture, mortgage, lease, resolution, note agreement or other agreement or instrument to which the Issuer is a party or by which the Issuer or its properties is bound, or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Issuer or any of its properties, which breach or default would in any way materially adversely affect the operation of the System, the issuance, execution, delivery or performance of its obligations under the Series 2013 Bonds, the execution, delivery or performance of its obligations under the Issuer Documents, the execution or distribution of the Official Statement, or the carrying out and consummation of the transactions contemplated on its part by the Issuer Documents and the Official Statement, and no event has occurred and is continuing which, with the passage of time or the giving of notice or both, would constitute such a breach or default.

(i) All consents, approvals, authorizations and orders of governmental or regulatory authorities, if any, that are required to be obtained by the Issuer as of the date hereof in connection with the ownership and operation of the System, the adoption of the Resolution and the performance of its obligations thereunder, the issuance, execution, delivery and performance of its obligations under the Series 2013 Bonds, the execution, delivery and performance of its obligations under the Issuer Documents, the execution and distribution of the Official Statement, and the carrying out and consummation of the transactions contemplated on its part by the Issuer Documents and the Official Statement have been, or will have been at the Closing, duly obtained and remain in full force and effect, except that no representation is made as to compliance with any applicable state securities or “Blue Sky” laws.

(j) The Issuer agrees to cooperate with the Underwriter in any endeavor to qualify the Series 2013 Bonds for offering and sale under the securities or “Blue Sky” laws of such jurisdictions of the United States of America as the Underwriter may request, except that the Issuer shall not be required to consent to service of process in any jurisdiction.

(k) The information contained in the Preliminary Official Statement was, and such information contained in the Official Statement will be, at all times subsequent hereto to and including the date of the Closing, true and correct in all material respects and does not contain and, at all such times, will not contain any untrue statement of a material fact and does not omit, and at all such times, will not omit, to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(l) The financial statements of the Issuer attached as Appendix C to the Official Statement and the summary financial information of the System set forth in Appendix D of the Official Statement under the caption “Summary of Operating Results” are complete and correct and present fairly the financial position of the System as of the dates indicated therein and the results of operations and changes in financial position for the periods specified therein, and such financial statements and summary information have been prepared in conformity with generally accepted accounting principles consistently applied throughout the periods presented.

(n) Neither the Securities and Exchange Commission nor any state securities commission has issued or, to the best of the Issuer’s knowledge, threatened to issue, any order preventing or suspending the use of the Preliminary Official Statement or the Official Statement.

(o) Any certificate signed by an authorized officer of the Issuer delivered to the Underwriter shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein.

(p) The Issuer is not in default and has not been in default at any time as to principal or interest, with respect to any obligation issued by the Issuer or any predecessor of the Issuer.

(q) The Issuer has not received any notice, directly or indirectly, from the Internal Revenue Service (“IRS”), the Department of the Treasury, or any other court, tribunal or governmental agency contesting or questioning in any way the exclusion from federal income taxation of the interest due on any tax-exempt debt of the Issuer.

(s) Except as described in the Official Statement, the Issuer has not failed to comply with its continuing disclosure obligations under the Rule.

(t) Upon the application of the proceeds of the Series 2013 Bonds in accordance with the Resolution and the Official Statement, the Refunded Bonds will no longer be outstanding under the resolutions pursuant to which they were issued.

(xiii) A certificate executed by the appropriate officer of the Issuer, dated the date of Closing, to the effect that on the basis of facts and estimates set forth therein, (A) it is not expected that the proceeds of the Series 2013 Bonds will be used in a manner that would cause the Series 2013 Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and applicable regulations thereunder and (B) to the best of the knowledge and belief of said officer, such expectations are reasonable.

(xiv) An executed counterpart of the Disclosure Certificate.

(xv) Such additional legal opinions, certificates, proceedings, instruments and other documents as the Underwriter may reasonably request to evidence compliance by the Issuer with legal requirements, the truth and accuracy, as of the time of Closing, of the representations of the Issuer herein contained and the due performance or satisfaction by the Issuer, at or prior to the Closing, of all agreements then required to be performed and all conditions then required to be satisfied by the Issuer.

SECTION 10. The Underwriter shall have the right to cancel their obligations to purchase and accept delivery of the Series 2013 Bonds hereunder by notifying the Issuer, in writing, of its election to do so between the date hereof and the Closing if, on or after the date hereof and prior to the Closing:

(a) legislation shall be enacted or be actively considered for enactment by the Congress, or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either House of the Congress by a committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or the United States Tax Court shall be rendered, or a ruling, regulation or official statement by or on behalf of the Treasury Department of the United States, the IRS or other governmental agency shall be made or proposed to be made with respect to federal taxation upon revenues or other income of the general character to be derived by the Issuer or by any similar body, or upon interest on obligations of the general character of the Series 2013 Bonds, or other action or events shall have transpired that have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated in connection herewith, that, in the opinion of the Underwriter, materially and adversely affects the market price of the Series 2013 Bonds or the market price generally of obligations of the general character of the Series 2013 Bonds; or

(b) any legislation, ordinance or regulation shall be enacted or be actively considered for enactment by the Issuer, or any governmental body, department or agency of the State of Tennessee, or a decision by any court of competent jurisdiction within the State of Tennessee shall be rendered that, in the opinion of the Underwriter, materially and adversely affects the market price of the Series 2013 Bonds; or

(c) any action shall have been taken by the Securities and Exchange Commission that would require the registration of the Series 2013 Bonds under the Securities Act of 1933, as amended (the “1933 Act”), or the qualification of the Resolution under the Trust Indenture Act of 1939, as amended (the “TIA”), or it appears that the Underwriter, by selling the Series 2013 Bonds, would subject themselves to liability under any federal or state securities law or common law, including the 1933 Act, the 1934 Act or any state blue sky law; or

(d) any event shall have occurred or shall exist that, in the opinion of the Underwriter, either (i) makes untrue or incorrect in any material respect any statement or information contained in the Official Statement, or (ii) is not reflected in the Official Statement and should be reflected therein in order to make the statements and information contained therein not misleading in any material respect; or

(e) there shall have occurred any outbreak of, or escalation in, hostilities or other national or international calamity or crisis or a financial crisis, including, but not limited to, the United States engaging in hostilities, or a Declaration of War or a national emergency by the United States on or after the date hereof which, in the sole opinion of the Underwriter, would affect materially and adversely the ability of the Underwriter to market the Series 2013 Bonds; or

(f) trading shall be suspended, or new or additional trading or loan restrictions shall be imposed, by the New York Stock Exchange or other national securities exchange or governmental authority with respect to obligations of the general character of the Series 2013 Bonds or a general banking moratorium shall be declared by federal, Tennessee or New York authorities; or

(g) there shall have occurred any change in the financial condition or affairs of the Issuer or the System the effect of which is, in the judgment of the Underwriter, so material and adverse as to make it impracticable or inadvisable to proceed with the offering or delivery of the Series 2013 Bonds on the terms and in the manner contemplated by the Official Statement; or

(h) either of the ratings of the Series 2013 Bonds shall have been downgraded or withdrawn and the Underwriter determines that such downgrade or withdrawal materially adversely affects the market price of the Series 2013 Bonds; or

(i) any litigation shall be instituted, pending or threatened to restrain or enjoin the issuance, sale or delivery of the Series 2013 Bonds or in any way contesting or questioning any authority for or the validity of the Series 2013 Bonds or the money or revenues pledged to the payment thereof or any of the proceedings of the Issuer taken with respect to the issuance and sale thereof; or

(j) the offering of the Series 2013 Bonds, on the terms and conditions contemplated by this Purchase Contract and the Official Statement, shall be prohibited by any applicable law or governmental regulation or by order of any court, governmental authority, board, agency, or commission; or

(k) additional material restrictions not in force on the date of this Purchase Contract shall have been imposed on trading in securities generally by a governmental authority or national association of securities dealers; or

(l) there shall have occurred any event other than those listed above the effect of which is, in the reasonable judgment of the Underwriter, so material and adverse to make it impracticable or inadvisable to proceed with the offering of the Series 2013 Bonds on the terms and in the manner contemplated by the Official Statement.

SECTION 11. If the Issuer is unable to satisfy the conditions to the obligations of the Underwriter contained in this Purchase Contract, or if the obligations of the Underwriter to purchase and accept delivery of the Series 2013 Bonds shall be terminated for any reason permitted by this Purchase Contract, this Purchase Contract shall terminate and neither the Underwriter nor the Issuer shall be under

further obligation hereunder; except that the respective obligations to pay expenses, as provided in Sections 13 and 16 hereof, shall continue in full force and effect. The Underwriter may, in their discretion, waive any one or more of the conditions imposed by this Purchase Contract for the protection of the Underwriter and proceed with the Closing.

SECTION 12. The Issuer agrees to notify the Underwriter of any material adverse change in its business, properties or financial condition occurring before the Closing or within 90 days thereafter that would require a revision of the information in the Official Statement in order to make the representations set forth in Section 7(k) hereof true and correct during such period.

SECTION 13.

(a) To the fullest extent permitted by applicable law, the Issuer agrees to indemnify and hold harmless the Underwriter against any and all losses, damages, expenses (including reasonable legal and other fees and expenses), liabilities or claims (or actions in respect thereof) to which the Underwriter or the other persons described in subsection (b) below may become subject under: (i) any federal or state securities laws or other statutory law or at common law or otherwise, caused by or arising out of or based upon any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact contained in the Preliminary Official Statement or the Official Statement or caused by any omission or alleged omission from the Preliminary Official Statement or the Official Statement of any material fact which would be necessary to be stated therein in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading; and (ii) the 1933 Act, the 1934 Act, the TIA, or the rules or regulations under said Acts, insofar as such losses, claims, damages, expenses, actions or liabilities arise out of or are based upon the failure to register the Series 2013 Bonds under the 1933 Act or to qualify the Resolution under the TIA.

(b) The indemnity provided under this Section 13 shall extend upon the same terms and conditions to each officer, director, employee, agent or attorney of any of the Underwriter, and each person, if any, who controls any of the Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act. Such indemnity shall also extend, without limitation, to any and all expenses whatsoever reasonably incurred by any indemnified party in connection with investigating, preparing for or defending against, or providing evidence, producing documents or taking any other reasonable action in respect of, any such loss, damage, expense, liability or claim (or action in respect thereof), whether or not resulting in any liability, and shall include any loss to the extent of the aggregate amount paid in settlement of any litigation, commenced or threatened, or of any claim whatsoever as set forth herein if such settlement is effected with the written consent of the Issuer.

(c) Within a reasonable time after an indemnified party under paragraphs (a) and (b) of this Section 13 shall have been served with the summons or other first legal process or shall have received written notice of the threat of a claim in respect of which an indemnity may be claimed, such indemnified party shall, if a claim for indemnity in respect thereof is to be made against the Issuer under this Section 13, notify the Issuer in writing of the commencement thereof; but the omission to so notify the Issuer shall not relieve it from any liability that it may otherwise have to any indemnified party under applicable law other than pursuant to this Section 13. The Issuer shall be entitled to participate at its own expense in the defense, and if the Issuer so elects within a reasonable time after receipt of such notice, or all indemnified parties seeking indemnification in such notice so direct, the Issuer shall assume the defense of any suit brought to enforce any such claim, and in either such case, such defense shall be conducted by counsel chosen promptly by the Issuer and reasonably satisfactory to the indemnified party; provided, however, that if the defendants in any such action include such an indemnified party and the Issuer, or include more than one indemnified party, and there are legal defenses available to such an indemnified party that are different from or additional to those available to the Issuer or another defendant

indemnified party, and which are likely to cause a conflict of interest between the Issuer and such indemnified party, or between other defendant indemnified parties, such indemnified party shall have the right to employ separate counsel in such action (and the Issuer shall not be entitled to assume the defense thereof on behalf of such indemnified party), and in such event the reasonable fees and expenses of such counsel shall be borne by the Issuer. Nothing contained in this paragraph (c) shall preclude any indemnified party, at its own expense, if indemnity is available pursuant to paragraphs (a) or (b) of this Section 13, from retaining additional counsel to represent such party in any action with respect to which indemnity may be sought from the Issuer hereunder.

(d) If the indemnification provided for in paragraphs (a) and (b) of this Section 13 is unavailable to fully hold harmless and fully indemnify any indemnified party in respect of the losses, damages, expenses, liabilities, or claims (or actions in respect thereof) specified in paragraphs (a) and (b) of this Section 13 by reason of applicable law, then the Issuer, on the one hand, and the Underwriter, on the other hand, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, expenses, actions or liabilities in such proportion as is appropriate to reflect the relative benefits received by the Issuer on the one hand and the Underwriter on the other hand from the offering of the Series 2013 Bonds. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then the Issuer on the one hand and the Underwriter on the other hand shall contribute to such amount paid or payable by the indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Issuer on the one hand and the Underwriter on the other in connection with the statements or omissions that resulted in such losses, claims, damages, expenses, actions or liabilities, as well as any other relevant equitable considerations. The relative benefits received by the Issuer on the one hand and the Underwriter on the other hand shall be deemed to be in such proportion so that the Underwriter is responsible for that portion represented by the percentage that the underwriting discount payable to the Underwriter hereunder (*i.e.*, the excess of the aggregate public offering price for the Series 2013 Bonds as set forth on the cover page of the Official Statement over the price to be paid by the Underwriter to the Issuer upon delivery of the Series 2013 Bonds as specified in Section 1 hereof) bears to the aggregate public offering price as described above, and the Issuer is responsible for the balance. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuer on the one hand or the Underwriter on the other hand and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Issuer and the Underwriter agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to above in this subsection (d). If contribution is available pursuant to this paragraph (d) of this Section 13, the amount paid or payable by an indemnified party as a result of the losses, damages, expenses, liabilities, claims or actions referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

SECTION 14. The indemnity and contribution provided by Section 13 hereof shall be in addition to any other liability that the Issuer may otherwise have hereunder, at common law or otherwise, and is provided solely for the benefit of the Underwriter and each director, officer, employee, agent, attorney and controlling person referred to therein, and its respective successors, assigns and legal representatives, and no other person shall acquire or have any right under or by virtue of such provisions of this Purchase Contract.

SECTION 15. All representations, warranties and agreements of the Issuer set forth in or made pursuant to this Purchase Contract shall remain operative and in full force and effect, regardless of any investigations made by or on behalf of the Underwriter and shall survive the delivery of and payment for the Series 2013 Bonds.

SECTION 16. The Issuer shall pay from its own funds, any expenses incident to the issuance of the Series 2013 Bonds, including but not limited to: (i) the cost of the preparation, reproduction, printing, distribution, mailing, execution, delivery, filing and recording, as the case may be, of this Purchase Contract, the Resolution, the Disclosure Certificate, the Preliminary Official Statement, the Official Statement, Blue Sky Memoranda and all other agreements and documents required in connection with the consummation of the transactions contemplated hereby; (ii) the cost of the preparation, engraving, printing, execution and delivery of the definitive Series 2013 Bonds; (iii) the fees and disbursements of Bond Counsel, Counsel for the Issuer, Counsel for the Board, the accountants and any other experts and/or agents retained by the Issuer; (iv) the initial or acceptance fee of the Bond Registrar and Paying Agent; (v) any fees charged by rating agencies for the proposed and/or received rating of the Series 2013 Bonds; (vi) any fees of the Municipal Securities Rulemaking Board (if the Issuer is permitted to pay such fees) and the Public Securities Association in connection with the issuance of the Series 2013 Bonds; (vii) the cost of obtaining a CUSIP number assignment for the Series 2013 Bonds; (viii) the cost of overnight funds and federal funds; the cost of qualifying the Series 2013 Bonds and determining their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate, including filing fees and fees and disbursements of the Underwriter in connection with such qualification and determination and the preparation of Blue Sky Memoranda; (ix) the cost of validation of the Series 2013 Bonds (if any); (x) the cost of preparing and publishing all advertisements relating to the Series 2013 Bonds upon commencement of the offering of the Series 2013 Bonds; (xi) the cost of the transportation of representatives of the Underwriter to attend meetings and the Closing; and (xii) the Underwriter's discount.

SECTION 17. This Purchase Contract shall inure to the benefit of and be binding upon the Issuer and the Underwriter and their respective successors and assigns. Nothing in this Purchase Contract is intended or shall be construed to give any person, firm or corporation, other than the parties hereto and their respective successors and assigns, and the persons entitled to indemnity and contribution under Section 13 hereof, and their respective successors, assigns and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Purchase Contract or any provision herein contained. This Purchase Contract and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors and assigns, and the persons entitled to indemnity and contribution under Section 13 hereof, and their respective successors, assigns and legal representatives, and for the benefit of no other person, firm or corporation. No one who purchases the Series 2013 Bonds from the Underwriter or other person or entity shall be deemed to be a successor merely by reason of such purchase.

SECTION 18. The Issuer acknowledges and agrees that (i) the purchase and sale of the Series 2013 Bonds pursuant to this Purchase Contract is an arm's-length commercial transaction between the Issuer and the Underwriter; (ii) in connection with such transaction, including the process leading thereto, the Underwriter is acting solely as a principal and not as a municipal advisor (including, without limitation, a Municipal Advisor (as such term is defined in Section 975(e) of the Dodd-Frank Wall Street Reform and Consumer Protection Act)), an agent or a fiduciary of the Issuer; (iii) the Underwriter has neither assumed an advisory or fiduciary responsibility in favor of the Issuer with respect to the offering of the Series 2013 Bonds or the process leading thereto (whether or not the Underwriter, or any affiliate of the Underwriter, has advised or is currently advising the Issuer on other matters) nor has it assumed any other obligation to the Issuer except the obligations expressly set forth in this Purchase Contract, (iv)

the Underwriter has financial and other interests that differ from those of the Issuer; and (v) the Issuer has consulted with its own legal and financial advisors to the extent it deemed appropriate in connection with the offering of the Series 2013 Bonds.

SECTION 19. Any notice or other communication to be given to the Issuer under this Purchase Contract may be given by delivering the same in writing at its address set forth above, and any notice or other communication to be given to the Underwriter under this Purchase Contract may be given by delivering the same in writing to:

SECTION 20. No recourse under or upon any obligation, indemnity, covenant or agreement contained in this Purchase Contract or under any judgment obtained against the Issuer, or by the enforcement of any assessment or by legal or equitable proceedings by virtue of any constitution or statute or otherwise or under any circumstances, under or independent of this Purchase Contract, shall be had against any trustee, director, member, commissioner, officer, employee or agent, as such, past, present or future, of the Issuer, either directly or through the Issuer, or otherwise, for the payment for or to the Issuer or any receiver thereof, or to the Underwriter or otherwise of any amount that may become owed by the Issuer hereunder. Any and all personal liability of every nature, whether at common law or in equity, or by statute or constitution or otherwise, of any trustee, director, member, commissioner, officer, employee or agent, as such, to respond by reason of any act or omission on his part or otherwise, for the payment for or to the Issuer or any receiver thereof, the Underwriter or otherwise, of any amount that may become owed by the Issuer hereunder is hereby expressly waived and released as a condition of and in consideration for the execution of this Purchase Contract.

Section 2.01 Creation of Escrow; Deposit of Funds. The Issuer hereby creates and establishes with the Agent a special and irrevocable escrow composed of the Escrowed Property and hereby deposits with the Agent and the Agent hereby acknowledges receipt of \$_____ as described in Division I hereof. The monies so deposited, together with investment income therefrom, is herein referred to as the "Escrow Fund" and shall constitute a fund to be held by the Agent as a part of the Escrowed Property created, established and governed by this Agreement.

Section 2.02 Investment of Funds. The monies described in Section 2.01 hereof shall be held or invested as follows:

1. the amount of \$_____ shall be used to purchase the Government Securities described on Exhibit B attached hereto; and

2. the amount of \$_____ shall be held as cash in a non-interest-bearing account.

Except as provided in Sections 2.04 and 2.06 hereof, the investment income from the Government Securities in the Escrow Fund shall be credited to the Escrow Fund and shall not be reinvested. The Agent shall have no power or duty to invest any monies held hereunder or to make substitutions of Government Securities held hereunder or to sell, transfer or otherwise dispose of the Government Securities acquired hereunder except as provided herein.

Section 2.03 Disposition of Escrow Funds. The Agent shall without further authorization or direction from the Issuer collect the principal and interest on the Government Securities promptly as the same shall fall due. From the Escrow Fund, to the extent that monies therein are sufficient for such purpose, the Agent shall make timely payments to the proper paying agent, or successor, for the Outstanding Bonds of monies sufficient for the payment of the principal of and interest on the Outstanding Bonds as the same shall become due and payable. The amount and date of principal and interest payments and the name and address of the paying agent with respect to the Outstanding Bonds are set forth on Exhibit A. Payment on the date and to the paying agent in accordance with Exhibit A shall constitute full performance by the Agent of its duties hereunder with respect to each respective payment. The Issuer represents and warrants that the Escrow Fund, if held, invested and disposed of by the Agent in accordance with the provisions of this Agreement, will be sufficient to make the foregoing payments. No paying agent fees, fees and expenses of the Agent or any other costs and expenses associated with the Refunding Bonds or the Outstanding Bonds shall be paid from the Escrow Fund, and the Issuer agrees to pay all such fees, expenses and costs from its legally available funds as such payments become due. When the Agent has made all required payments of principal and interest on the Outstanding Bonds to the paying agent as hereinabove provided, the Agent shall transfer any monies or Government Securities then held hereunder to the Issuer and this Agreement shall terminate.

Section 2.04 Excess Funds. Except as provided in Section 2.06 hereof, amounts held by the Agent, representing interest on the Government Securities in excess of the amount necessary to make the corresponding payment of principal and/or interest on the Outstanding Bonds, shall be held by the Agent without interest and shall be applied before any other Escrow Fund monies to the payment of the next ensuing principal and/or interest payment on the Outstanding Bonds. Upon retirement of all the Outstanding Bonds, the Agent shall pay any excess amounts remaining in the Escrow Fund to the Issuer.

Section 2.05 Reports. On or before _____, 2013, the Agent shall deliver to the City Clerk of the Issuer a report which shall summarize all transactions relating to the Escrow Fund and which also shall set forth all assets in the Escrow Fund and set forth opening and closing balances thereof.

Section 2.06 Investment of Monies Remaining in Escrow Fund. The Agent may invest and reinvest any monies remaining from time to time in the Escrow Fund until such time as they are needed. Such monies shall be invested in Government Securities, maturing no later than the next interest payment date of the Outstanding Bonds, or for such periods or at such interest rates as the Agent shall be directed by Written Request, provided, however, that the Issuer shall furnish the Agent, as a condition precedent to such investment, with an opinion from nationally recognized bond counsel stating that such reinvestment of such monies will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds or the Outstanding Bonds not to be excluded from gross income for Federal income tax purposes and that such investment is not inconsistent with the statutes and regulations applicable to the Refunding Bonds or the Outstanding Bonds. Any interest income resulting from reinvestment of monies pursuant to this Section 2.06 shall be applied first to the payment of principal of and interest on the Outstanding Bonds to the extent the Escrow is or will be insufficient to retire the Outstanding Bonds as set forth on Exhibit A and any excess shall be paid to the Issuer to be applied to the payment of the Refunding Bonds or the expenses of issuance thereof.

Section 2.07 Irrevocable Escrow Created. The deposit of monies, Government Securities, matured principal amounts thereof, and investment proceeds therefrom in the Escrow Fund shall constitute an irrevocable deposit of said monies and Government Securities for the benefit of the holders of the Outstanding Bonds, except as provided herein with respect to amendments permitted under Section 4.01 hereof. All the funds and accounts created and established pursuant to this Agreement shall be and constitute escrow funds for the purposes provided in this Agreement and shall be kept separate and

distinct from all other funds of the Issuer and the Agent and used only for the purposes and in the manner provided in this Agreement.

Section 2.08 Redemption of Outstanding Bonds. The Agent shall mail no later than _____ a notice of redemption for the [_____] Bonds to the paying agent for the [_____] Bonds, in accordance with the resolution authorizing the Outstanding Bonds. No further duties related to the giving of such redemption notice shall be required by the Agent.

ARTICLE III CONCERNING THE AGENT

Section 3.01 Appointment of Agent. The Issuer hereby appoints the Agent as escrow agent under this Agreement.

Section 3.02 Acceptance by Agent. By execution of this Agreement, the Agent accepts the duties and obligations as Agent hereunder. The Agent further represents that it has all requisite power, and has taken all corporate actions necessary to execute the escrow hereby created.

Section 3.03 Liability of Agent. The Agent shall be under no obligation to inquire into or be in any way responsible for the performance or nonperformance by the Issuer of its obligations, or to protect any of the Issuer's rights under any bond proceedings or any of the Issuer's other contracts with or franchises or privileges from any state, Issuer, city or other governmental agency or with any person. The Agent shall not be liable for any act done or step taken or omitted to be taken by it, or for any mistake of fact or law, or anything which it may do or refrain from doing, except for its own negligence or willful misconduct in the performance or nonperformance of any obligation imposed upon it hereunder. The Agent shall not be responsible in any manner whatsoever for the recitals or statements contained herein or in the Outstanding Bonds or in the Refunding Bonds or in any proceedings taken in connection therewith, but they are made solely by the Issuer. The Agent shall have no lien whatsoever upon any of the monies or investments in the Escrow Fund for the payment of fees and expenses for services rendered by the Agent under this Agreement.

The Agent shall not be liable for the accuracy of the calculations as to the sufficiency of Escrow Fund monies and Government Securities and the earnings thereon to pay the Outstanding Bonds. So long as the Agent applies any monies, the Government Securities and the interest earnings therefrom to pay the Outstanding Bonds as provided herein, and complies fully with the terms of this Agreement, the Agent shall not be liable for any deficiencies in the amounts necessary to pay the Outstanding Bonds caused by such calculations. The Agent shall not be liable or responsible for any loss resulting from any investment made pursuant to this Agreement and in full compliance with the provisions hereof.

In the event of the Agent's failure to account for any of the Government Securities or monies received by it, said Government Securities or monies shall be and remain the property of the Issuer in escrow for the benefit of the holders of the Outstanding Bonds, as herein provided, and if for any improper reason such Government Securities or monies are applied to purposes not provided for herein or misappropriated by the Agent, the assets of the Agent shall be impressed with a trust for the amount thereof until the required application of such funds shall be made or such funds shall be restored to the Escrow Fund.

Section 3.04 Permitted Acts. The Agent and its affiliates may become the owner of or may deal in the Refunding Bonds or Outstanding Bonds as fully and with the same rights as if it were not the Agent.

Section 3.05 Exculpation of Funds of Agent. Except as set forth in Section 3.03, none of the provisions contained in this Agreement shall require the Agent to use or advance its own funds or otherwise incur personal financial liability in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Agent shall be under no liability for interest on any funds or other property received by it hereunder, except as herein expressly provided.

Section 3.06 Payment of Deficiency by Issuer. _____ has delivered as of the date hereof a verification report stating that the funds deposited to the Escrow Fund in the amount set forth in Section 2.01 and the receipts from the investment of such funds pursuant to Exhibit B hereof will be sufficient to pay the principal of and interest on the Outstanding Bonds on the earliest practicable redemption date following delivery of the Refunding Bonds. In the event the verification report calculations as to the sufficiency of the Escrow Fund monies and Government Securities and the earnings thereon are inaccurate, then the Issuer agrees that it will promptly and without delay remit or cause to be remitted to the Agent within ten (10) days after receipt of the Agent's written request, such additional sum or sums of money as may be necessary in excess thereof to assure the payment when due of the principal of and interest on the Outstanding Bonds. The Issuer shall not be liable for failure of performance of the Agent or the Government Securities.

Section 3.07 No Redemption or Acceleration of Maturity. The Agent will not pay any of the principal of or interest on the Outstanding Bonds, except as provided in Exhibit A attached hereto, and will not redeem or accelerate the maturity of any of the Outstanding Bonds except as provided herein.

Section 3.08 Qualifications of Agent. There shall at all times be an Agent hereunder that shall be a corporation or banking association organized and doing business under the laws of the United States or any state, authorized under the laws of its incorporation to exercise the powers herein granted, having a combined capital, surplus, and undivided profits of at least \$75,000,000 and subject to supervision or examination by federal or state authority. If such corporation or association publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of this paragraph the combined capital, surplus and undivided profits of such corporation or association shall be deemed to be its combined capital, surplus and undivided profits as set forth in its most recent report of condition as published. In case at any time the Agent shall cease to be eligible in accordance with the provisions of this section, the Agent shall resign immediately in the manner and with the effect specified herein.

Section 3.09 Resignation of Agent. The Agent may at any time resign by giving direct written notice to the Issuer and by giving the holders of the Outstanding Bonds notice by first-class mail of such resignation. Upon receiving such notice of resignation, the Issuer shall promptly appoint a successor escrow agent by resolution of its governing body. If no successor escrow agent shall have been appointed and have accepted appointment within thirty (30) days after the publication of such notice of resignation, the resigning Agent may petition any court of competent jurisdiction located in City of Clarksville, Tennessee, for the appointment of a successor, or the holders of the Outstanding Bonds may petition any such court for the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, appoint a successor meeting the qualifications set forth in Section 3.08. The Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

Section 3.10 Removal of Agent. In case at any time the Agent shall cease to be eligible in accordance with the provisions of Section 3.08 hereof and shall fail to resign after written request therefor by the Issuer or by the holders of the Outstanding Bonds, or the Agent shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Agent or any of its property shall be appointed, or any public officer shall take charge or control of the Agent or its property or affairs for the purpose of

rehabilitation, conservation or liquidation, then in any such case, the Issuer may remove the Agent and appoint a successor by resolution of its governing body or such bondholder may petition any court of competent jurisdiction situated in the Issuer for the removal of the Agent and the appointment of a successor. Such court may thereupon, after such notice, if any, as it may deem proper, remove the Agent and appoint a successor who shall meet the qualifications set forth in Section 3.08. Unless incapable of serving, the Agent shall serve as escrow agent hereunder until its successor shall have been appointed and such successor shall have accepted the appointment.

The holders of the Outstanding Bonds may at any time remove the Agent and appoint a successor by an instrument or concurrent instruments in writing signed by such bondholder and presented, together with the successor's acceptance of appointment, to the Issuer and the Agent.

Any resignation or removal of the Agent and appointment of a successor pursuant to any of the provisions of this Agreement shall become effective upon acceptance of appointment by the successor as provided in Section 3.11 hereof.

Section 3.11 Acceptance by Successor. Any successor escrow agent appointed as provided in this Agreement shall execute, acknowledge and deliver to the Issuer and to its predecessor an instrument accepting such appointment hereunder and agreeing to be bound by the terms hereof, and thereupon the resignation or removal of the predecessor shall become effective and such successor, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations of its predecessor, with like effect as if originally named as Agent herein; but, nevertheless, on Written Request of the Issuer or the request of the successor, the predecessor shall execute and deliver an instrument transferring to such successor all rights, powers and escrow property of the predecessor. Upon request of any such successor, the Issuer shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor all such rights, powers and duties. No successor shall accept appointment as provided herein unless at the time of such acceptance such successor shall be eligible under the provisions of Section 3.08 hereof.

Any corporation into which the Agent may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which the Agent shall be a party, or any corporation succeeding to the business of the Agent, shall be the successor of the Agent hereunder without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided that such successor shall be eligible under the provisions of Section 3.08 hereof.

Section 3.12 Payment to Agent. The Issuer agrees to pay the Agent, as reasonable and proper compensation under this Agreement, an annual fee of \$____. The Agent shall be entitled to reimbursement of all advances, counsel fees and expenses, and other costs made or incurred by the Agent in connection with its services and/or its capacity as Agent or resulting therefrom. In addition, the Issuer agrees to pay to the Agent all out-of-pocket expenses and costs of the Agent incurred by the Agent in the performance of its duties hereunder, including all publication, mailing and other expenses associated with the redemption of the Outstanding Bonds; provided, however, that to the extent permitted by applicable law, the Issuer agrees to indemnify the Agent and hold it harmless against any liability which it may incur while acting in good faith in its capacity as Agent under this Agreement, including, but not limited to, any court costs and attorneys' fees, and such indemnification shall be paid from available funds of the Issuer and shall not give rise to any claim against the Escrow Fund. In addition, the Agent shall indemnify the Issuer and hold it harmless against any liability which it may incur resulting from any failures by the Agent to perform its duties hereunder.

ARTICLE IV MISCELLANEOUS

Section 4.01 Amendments to this Agreement. This Agreement is made for the benefit of the Issuer and the holders of the Outstanding Bonds, and it shall not be repealed, revoked, altered or amended without the written consent of such holders, the Agent and the Issuer; provided, however, that the Issuer and the Agent may, without the consent of, or notice to, such holders, enter into such agreements supplemental to this Agreement as shall not adversely affect the rights of such holders and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

1. to cure any ambiguity or formal defect or omission in this Agreement;
2. to grant to, or confer upon, the Agent for the benefit of the holders of the Outstanding Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Agent; and
3. to subject to this Agreement additional funds, securities or properties.

The Agent shall be entitled to rely exclusively upon an unqualified opinion of nationally recognized bond counsel with respect to compliance with this Section, including the extent, if any, to which any change, modification, addition or elimination affects the rights of the holders of the Outstanding Bonds, or that any instrument executed hereunder complies with the conditions and provisions of this Section.

Notwithstanding the foregoing or any other provision of this Agreement, upon Written Request and upon compliance with the conditions hereinafter stated, the Agent shall have the power to and shall, in simultaneous transactions, sell, transfer, otherwise dispose of or request the redemption of the Government Securities held hereunder and to substitute therefor direct obligations of, or obligations the principal of and interest on which are fully guaranteed by the United States of America, subject to the condition that such monies or securities held by the Agent shall be sufficient to pay principal of and interest on the Outstanding Bonds. The Issuer hereby covenants and agrees that it will not request the Agent to exercise any of the powers described in the preceding sentence in any manner which will cause the Refunding Bonds to be arbitrage bonds within the meaning of Section 148 of the Code in effect on the date of such request and applicable to obligations issued on the issue date of the Refunding Bonds. The Agent shall purchase such substituted securities with the proceeds derived from the maturity, sale, transfer, disposition or redemption of the Government Securities held hereunder or from other monies available. The transactions may be effected only if there shall have been submitted to the Agent: (1) an independent verification by a nationally recognized independent certified public accounting firm concerning the adequacy of such substituted securities with respect to principal and the interest thereon and any other monies or securities held for such purpose to pay when due the principal of and interest on the Outstanding Bonds in the manner required by the proceedings which authorized their issuance; and (2) an opinion from nationally recognized bond counsel to the effect that the disposition and substitution or purchase of such securities will not, under the statutes, rules and regulations then in force and applicable to obligations issued on the date of issuance of the Refunding Bonds, cause the interest on the Refunding Bonds not to be exempt from Federal income taxation. Any surplus monies resulting from the sale, transfer, other disposition or redemption of the Government Securities held hereunder and the substitutions therefor of direct obligations of, or obligations the principal of and interest on which is fully guaranteed by, the United States of America, shall be released from the Escrow Fund and shall be transferred to the Issuer.

Section 4.02 Severability. If any provision of this Agreement shall be held or deemed to be invalid or shall, in fact, be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

Section 4.03 Governing Law. This Agreement shall be governed and construed in accordance with the law of the State of Tennessee.

Re: Review of the Refunding Plan for the Proposed Electric System Revenue Refunding Bonds, Series 2013

Dear Mayor McMillan:

This letter acknowledges receipt of a request on April 15, 2013, to review a plan of refunding (the "Plan") for the proposed issuance by the City of Clarksville (the "City") of an amount not to exceed \$52,000,000 Electric System Revenue Refunding Bonds, Series 2013 (the "Series 2013 Revenue Refunding Bonds") to refund an estimated:

- \$3,430,000 Electric System Revenue Refunding and Improvement Bonds, Series 2004 (the "Series 2004 Bonds"); and
- \$40,680,000 Electric System Revenue Bonds, Series 2007 (the "Series 2007 Bonds").

Collectively, these are the "Refunded Bonds." The total amount of refunded principal is \$44,110,000.

Pursuant to the provisions of Tennessee Code Annotated Title 9, Chapter 21 a plan of refunding must be submitted to our Office for review prior to the adoption of a resolution by the governing body of a local government authorizing the issuance of revenue refunding bonds. The information presented in the plan of refunding includes the assertions of the City and may not reflect either the City's current or future financial condition or current market conditions or market conditions at the time of sale.

FINANCIAL PROFESSIONALS

The City is not using a municipal advisor. Municipal advisors have a fiduciary responsibility to the City. Underwriters have no fiduciary responsibility to the City. They represent the interests of their firm and are not required to act in the City's best interest without regard to their own or other interests. The Plan was prepared by the City with the assistance of its underwriter, Wiley Brothers.

THE CITY'S PROPOSED REFUNDING OBJECTIVE

The City indicated its purpose for the refunding is to realize net present value savings. The Plan estimates net present value savings of \$2,825,135 or 6.4% of the refunded principal.

COMPLIANCE WITH THE CITY'S DEBT MANAGEMENT POLICY

The City provided a copy of its debt management policy (the "Policy") when the City submits Form ST-0255 within 45 days of issuance of the debt approved in this letter, the City must describe, in specifics, how its debt issue complies with its Policy.

MSRB Rule G-17

MSRB Rule G-17 requires underwriters and municipal advisors to deal fairly with the City in the conduct of its municipal securities or municipal advisory activities. MSRB Notice 2012-25 on the duties of underwriters to issuers of municipal securities was approved by the Securities and Exchange Commission on May 4, 2012. On August 2, 2012, this interpretive notice to MSRB Rule G-17 on fair dealing became part of federal securities law and underwriters are required to comply with its provisions.

These duties fall into three areas:

- statements and representations to issuers;
- disclosures to issuers; and
- financial aspects of underwriting transactions.

To learn more about the obligations of the City's underwriter (if applicable) and municipal advisor, please read the information posted on the MSRB website: www.msrb.org.

REPORT OF THE REVIEW OF THE PLAN OF REFUNDING

Enclosed is the report of the review of the plan of refunding required by TENN. CODE ANN. § 9-21-1003 for distribution to the members of the City Council.

This letter and this report including the Plan are to be posted on the City's website prior to the meeting of the City Council adopting the refunding bond resolution. The same letter and report for the Plan is to be provided to each member of the City Council for review at the Public Meeting adopting the refunding bond resolution.

The enclosed report does not constitute approval or disapproval for the proposed Plan or a determination that a refunding is advantageous or necessary nor that any of the outstanding obligations should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity.

This letter and the enclosed report do not address the compliance with federal tax regulations and are not to be relied upon for that purpose. The City should discuss these issues with a bond counsel or tax attorney.

Each report is effective for a period of one hundred and twenty (120) days. If the refunding has not been completed during this time, a supplemental plan of refunding must be submitted to this Office, at that time we

will issue a report thereon pursuant to the statutes. In lieu of submitting a supplemental plan, a statement may be submitted to our Office after the 120-day period has elapsed stating that the information contained in the current plan of refunding remains valid. Such statement must be submitted by either the Chief Executive Officer or the Chief Financial Officer of the local government. We will acknowledge receipt of such statement and will issue our letter confirming that this refunding report remains valid for an additional 120-day period. However, with regard to the report currently being issued by this Office, during the initial 120-day period or any subsequent 120-day period no refunding reports will be issued relating to the debt obligations indicated herein as being refunded unless the Chief Executive Officer or the Chief Financial Officer notifies our Office that the plan of refunding which has been submitted is no longer valid.

We recognize that the information provided in the Plan submitted to our Office is based on preliminary analysis and estimates, and that actual results will be determined by market conditions at the time of sale of the debt obligations. However, if it is determined prior to the issuance of these obligations that the actual results will be significantly different from the information provided in the plan which has been submitted, and the local government determines to proceed with the issue, our Office should subsequently be notified by either the Chief Executive Officer or the Chief Financial Officer of the local government regarding these differences, and that the local government was aware of the differences and determined to proceed with the issuance of the debt obligations. Notification to our Office will be necessary only if there is an increase or decrease of greater than fifteen percent (15%) in any of the following: (1) the principal amount of the debt obligations issued; (2) the costs of issuance; (3) the cumulative savings or loss with regard to any refunding proposal. We consider this notification necessary to insure that this Office and officials of the local government are aware of any significant changes that occur with regard to the issuance of the proposed indebtedness.

Report on Debt Obligation

We are enclosing a revised State Form CT-0253, Report on Debt Obligation. Pursuant to § 9-21-151 Tennessee Code Annotated, this form is to be completed and filed with the governing body of the City no later than forty-five (45) days after the issuance of this debt, with a copy (including attachments, if any) filed with the Director of the Office of State and Local Finance by mail to the address on this letterhead or by email to stateandlocalfinance.publicdebtform@cot.tn.gov. No public entity may enter into additional debt if it has failed to file the Report on Debt Obligation.

REPORT OF THE DIRECTOR OF THE OFFICE OF STATE AND LOCAL FINANCE
CONCERNING THE PROPOSED ISSUANCE OF
ELECTRIC SYSTEM REVENUE REFUNDING BONDS, SERIES 2013
CITY OF CLARKSVILLE, TENNESSEE

The City of Clarksville, Tennessee ("the City") submitted a plan of refunding (the "Plan") as required by Tenn. Code Ann. § 9-21-1003 regarding the proposed issuance of an amount not to exceed \$52,000,000 Electric System Revenue Refunding Bonds, Series 2013 (the "Series 2013 Revenue Refunding Bonds") to refund an estimated:

- \$3,430,000 Electric System Revenue Refunding and Improvement Bonds, Series 2004 (the "Series 2004 Bonds"); and
- \$40,680,000 Electric System Revenue Bonds, Series 2007 (the "Series 2007 Bonds").

Collectively, these are the "Refunded Bonds." The total amount of refunded principal is \$44,110,000.

The Plan was prepared with the assistance of the City's underwriter, Wiley Brothers. The actual Series 2013 Revenue Refunding Bonds may be structured differently being sold either at par, at a discount or with a different principal repayment schedule. The information presented in the Plan includes the assertions of the City and may not reflect either the City's current or future financial condition or current market conditions or market conditions at the time of sale.

THE CITY'S PROPOSED REFUNDING OBJECTIVE

The City indicated its purpose for the refunding is for net present value savings.

REFUNDING ANALYSIS

- The results for the refunding are based on the assumption that an estimated \$48,495,000 Series 2013 Revenue Refunding Bonds will be sold at negotiated sale and price at an estimated premium of \$3,542,078.
- The Plan estimates net present value savings of \$2,825,135 or 6.4% of the refunded principal.
- The estimated savings are generated by reducing the average coupon of the Refunded Bonds of 4.90% to an estimated average coupon of 3.37% for the Series 2013 Revenue Refunding Bonds.
- Interest payments are anticipated to be reduced by \$9,355,811 from \$27,787,269 for the Refunded Bonds to \$18,431,458 for the Series 2013 Revenue Refunding Bonds.
- The Series 2013 Revenue Refunding Bonds do not extend the final maturity of the Refunded Bonds.
- Estimated costs of issuance are \$391,720 or \$8.08 per \$1,000 of par amount for the Series 2013 Revenue Refunding Bonds including underwriter's discount of \$290,970.

Financial Analysis for the fiscal year ended June 30, 2012

CDE's Electric Division had operating income of \$21,815,935 and operating income before depreciation of \$29,441,085 for fiscal year 2012 (from the Statement of Revenues, Expenses, and Changes in Net Assets). CDE's Electric Division had an increase in net assets of \$15,313,024 with net assets totaling \$117,999,588 for the fiscal year ended June 30, 2012. CDE's Electric Division made debt service payments of \$5,591,886 consisting of interest payments of \$3,811,741 and principal payments of \$1,780,145 for fiscal year 2012 (from the Statement of Cash Flows).

The City is not using a municipal advisor. Municipal advisors have a fiduciary responsibility to you, the issuer. Underwriters have no fiduciary responsibility to you. They represent the interests of their firm.

This report of the Office of State and Local Finance does not constitute approval or disapproval by the Office for the proposed plan or a determination that a refunding is advantageous or necessary nor that any of the Refunded Bonds should be called for redemption on the first or any subsequent available redemption date or remain outstanding until their respective dates of maturity. This report is based on information as presented in the Plan by the City. The assumptions included in the City's Plan may not reflect either current market conditions or market conditions at the time of sale. If all of the Refunded Bonds are not refunded as a part of the Series 2013 Refunding Bonds, then a new plan must be submitted to this Office for review of a plan of refunding for the residual bonds.

GENERAL

Program Year 4 Action Plan Executive Summary:

Program Year 4 Action Plan Executive Summary:

The CDBG program provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low- and moderate-income persons. The program is authorized under Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended; [42 U.S.C.-5301](#) et seq.

The City of Clarksville is an Entitlement City according to the U.S. Department of Housing and Urban Development (HUD) criteria. Accordingly, the City receives annual allocations of funds for Housing and Community Development Projects under the Community Development Block Grant Program (CDBG), and Home Investment Partnership Program (HOME). As an Entitlement City, and a Participating Jurisdiction (PJ) Clarksville is required to conduct a comprehensive assessment of its housing and community needs and to present a plan of action in a detailed format prescribed by HUD.

A One Year Action Plan is required for each of the five years of the Consolidated Plan. The Action Plan covers July 1, 2013 through June 30, 2014. This is the fourth year of the City's Five Year Plan (2010-2015). This plan builds upon the strategies articulated in the Five Year Plan and represents the City's continued mission to provide programs, which address the housing needs of very low-, low-, and moderate-income citizens of Clarksville. The Action Plan enables investors, nonprofit organizations, program administrators, elected officials, and concerned citizens to work with the City in the development of affordable housing and community development programs. The City of Clarksville completed many of its strategic community goals in year 2012-2013.

The Action Plan describes the City's plan for the expenditure of Federal housing dollars for the coming fiscal year. It outlines activities of two (2) major formula grants: Community Development Block Grant (CDBG) and Home Investment Partnerships Program (HOME).

In FY 2013-14, the City anticipates receiving \$775,162.00* in CDBG funds and \$304,926.00* in HOME funds. *2011 Budget Control Act

CDBG PROGRAM

Entitlement communities develop their own programs and funding priorities. However, grantees must give maximum feasible priority to activities, which benefit low- and moderate-income persons. A grantee may also carry out activities, which aid in the prevention or elimination of slums or blight. Additionally, grantees may fund activities when the grantee certifies that the activities meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. CDBG funds may not be used for activities, which do not meet these broad national objectives.

CDBG funds can only be used in compliance with the national objectives and eligibility requirements of the program. Participating jurisdictions (PJs) must certify that the projected use of funds have been developed so as to give minimum feasible priority to activities that will carry out one of the national objectives of:

- ☐ Benefit to low and moderate income families,
- ☐ Aid in the prevention or elimination of slums and blight,
- ☐ Addressing urgent needs

Low- and moderate-income (LMI), as defined by HUD, refers to households earning 80% or less than the area median income, adjusted for family size. A family of four in the Clarksville Metropolitan Statistical Area (MSA) earning no more than \$52,700 in 2013, for example, is considered moderate income and eligible to receive benefits under the CDBG program (See table one).

Areas benefiting from CDBG-funded projects (water line, sewer, sidewalk, etc.) must be populated by households of which 51% are low to moderate income (LMI). Housing rehabilitation and reconstruction of single-family houses, however, each CDBG/HOME assisted house must be occupied by LMI persons.

The following classes of people are considered LMI: abused children, battered spouses, elderly persons, severely disabled adults, homeless persons, illiterate adults, person with living with AIDS, or migrant farm workers. Facilities or activities to serve one or more of these groups are presumed to meet the LMI benefit requirements.

CDBG funds may be used for the prevention or elimination slums and blight. Urgent needs include such conditions as natural disasters and activities designed to address them that have a particular urgency because the existing condition pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs. At least 70% of all CDBG funds spent must meet the LMI benefit test within a three-year period. CDBG funds can be used to support housing assistance programs, physical improvements, economic development activities, and public services

HOME INVESTMENT PARTNERSHIP PROGRAM

The HOME Investment Partnership (HOME) Program was created by the National Affordable Housing Act of 1990 to create local partnerships for providing decent affordable housing to lower-income households. It was intended that local participating jurisdictions (PJ) work with nonprofit organizations and the private investment community to achieve this goal. Cities may use their HOME funds to help renters, new homebuyers, or existing homeowners. The incomes of households receiving HOME assistance must not exceed 80 percent of the area median income. However, for rental housing and rental assistance, at least 90 percent of benefiting families must have incomes that are no more than 60 percent of the HUD-adjusted median family income for the area. In rental projects with five or more assisted units, at least 20% of the units must be occupied by families with incomes that do not exceed 50% of the HUD adjusted median.

One of the concerns noted in the City's Consolidated Plan is the concentration of low-income households. Identifying concentrations of low-income households and racial and ethnic minorities is helpful in identifying possible patterns. The City has a substantial number of households with an income of less than 80% of the Area Median Family Income (HAMFI) indeed, 16,250 households hold that distinction.

In the City of Clarksville there are a total of 54,815 housing units, of those 49,439 are occupied, of those occupied units 27,732 (56.4%) are owner-occupied housing units, with a population of 75,767. Female householders, no husband present (with children under 18 years 5,577 (11.3%) households. (DP-1 2010 census).

The City of Clarksville is growing at a fast pace, as shown by the number of homes built during the 1990's. Between 1990 and 1999, approximately 11,226 or about 20.6% of all housing units were built in the City of Clarksville. It has continued to grow at about 14% each year since then.

Managing the Process

Clarksville's Office of Community Development is the lead agency overseeing the development of the Annual Plan and is responsible for collaborating with other planning agencies, groups, organizations, and persons participating in the Annual Action Plan development.

The Action Plan was developed through a participatory process, described in detail, in the Citizen Participation section below. To gauge the nature and extent of needs to help the City prioritize the uses of limited funds (CDBG and HOME) and develop the Action Plan, the City used a number of research and outreach methods:

- Analysis of demographic and housing market characteristics and their impacts on housing and community development needs using statistical and empirical data
- Resources and data collected from a variety of agencies that provide housing assistance and community services

Partners include, but are not limited to the following:

Clarksville's Citizens	Community Service Providers to End Homelessness
Parks & Recreation	Habitat for Humanity
U.S. Census Bureau	Urban Ministries
Office of the Mayor	United Way of Clarksville
Community Action Agency	Linclon Homes Resident Council
Austin Peay University	Buffalo Valley

The above participants have played an integral role in the Annual Action Plan's evolution. Community meetings and public hearings were conducted during January 2013 through March 2013. The Citizen Advisory Committee was convened in February and March to provide a forum for public input and guidance for the plan and to select the final priorities for maximum results.

To ensure that the housing and community development meet the needs of special needs groups are addressed as part of the 2013 Action Plan; consultation with a variety of service providers and agencies will be conducted to gauge the type and extent of needs for the community. Input was drawn from residents throughout the community, through meetings, and from service providers.

Citizen's Participation

Summary

The City of Clarksville's Office of Housing and Community Development Department coordinates the planning and administration of Community Development Block Grant (CDBG) and HOME Investment Partnership Funds. As an entitlement jurisdiction, the Office of Housing and Community Development provides structure and shapes programmatic services for low-to-moderate income households. In order to meet local capacity, the Office of Housing and Community Development partners with nonprofits, Community Housing Development Organizations (CHDOs), City departments, contractors, faith-based organizations, lenders, and charities. The Office of Housing and Community Development connects resources to redevelop and revitalize Clarksville's lower income neighborhoods.

Citizen Participation

The City of Clarksville's Citizen's Participation Plan (CPP) is designed to ensure citizen participation in all of the Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) and Emergency Shelter Grant (ESG) funded program areas and to meet the requirements set forth in Section 104 of the 1974 Housing and Community Development Act, as amended, and 24 CFR 91 to provide for citizen involvement in the planning and implementation of the City of Clarksville's Community Development Program. This Plan is an essential element of Clarksville's present and future community development process and has been developed to comply with the regulations and requirements of the CDBG program.

The CPP ensures continuity of citizen involvement in the planning, development, implementation, and assessment of programs funded through the Office of Housing and Community Development. The plan's intent is to provide citizens with a better understanding of their role in the process and the steps they can take to become more active in all aspects of the City's Community Development Program. The Citizen Participation Plan is periodically reviewed and updated to reflect any changes.

The Plan encourages citizen input, particularly for the City's low-to-moderate income persons. The Office of Housing and Community Development programs and services benefit Clarksville's low-to-moderate individuals and neighborhoods. The neighborhoods are termed "Target Neighborhoods". The Office of Housing and Community Development strives to encourage full participation of residents in the process of developing and implementing the Consolidated and Annual Action Plans, CAPER, and any neighborhood plans.

The primary goal of the Citizen Participation Plan is to provide all citizens of the community with adequate opportunity to participate in the planning, implementation, and assessment of the Clarksville CDBG program. The Plan sets forth policies and procedures for citizen participation, which are designed to maximize the opportunity for citizen participation in the community development process. Citizens are encouraged to participate in all phases of the CDBG program and will be provided full access to program information. However, final

Clarksville, TN

responsibility and authority for the development and implementation of CDBG program(s) will lie with the City of Clarksville.

The City of Clarksville's Plan:

- Provides for and encourages citizen participation, with particular emphasis on participation by people of low and moderate income who are residents of slum and blighted areas and areas where CDBG, HOME, and/or ESG funds are proposed to be used.
- Provides citizens with reasonable and timely access to meetings, information, and records relating to the City's proposed use of funds.
- Provides for technical assistance to groups representative of people of low and moderate income that request such assistance in developing proposals.
- Provides for public hearings to obtain citizen views and to respond to proposals and questions at all stages of the community development program, including at least the development of needs, the review of proposed activities and the review of program performance.

This plan in no way will restrict the responsibility and authority of City officials for the development of annual applications for funding from the U.S. Department of Housing and Urban Development or with the execution of the Community Development Program. The Mayor shall be the grantee recipient and the City of Clarksville Office of Housing and Community Development shall administer the program.

Participation:

All phases of citizen participation will be conducted in an open manner, with freedom access for all interested parties. Public hearings will be publicized and pertinent information will be available to the public. Details will be available upon request at the City of Clarksville Office of Housing and Community Development, One Public Square, Suite 201, Clarksville, TN 37040, Monday through Friday from 8:00 a.m. until 4:30 p.m. or by calling 931-648-6133. The city will consult with and notify other local units of government with regard to the Community Development Program as appropriate to ensure effective planning and implementation of community development activities. To ensure citizen participation a citizen's advisory committee is established by this Citizen's Participation Plan.

During the development of the 2013-2014 Action Plan, public participation was strongly encouraged. Staff attended meetings with several local non-profits and governmental agencies and met with many citizen groups. The Office of Housing and Community Development met with governmental agencies such as The Clarksville Housing Authority, Clarksville-Montgomery County Regional Planning Commission and the Metropolitan Planning Organization, and the Tennessee Housing Development Agency to discuss housing and transportation needs for the city.

Local newspaper ran housing rehabilitation ads periodically, and radio spot ads about our programs were also ran.

There were no comments received that were not accepted.

Clarksville, TN

An Analysis of Impediments to Fair Housing Choice (AI) was conducted in the early months of 2012. The results are from a process of consultation and citizen participation, building upon existing participation mechanisms and venues. Citizens, not-for-profit organizations, and interested parties were afforded a variety of opportunities to:

- Contribute during meetings, hearings and planning sessions,
- Review and comment upon the participation plan, the Analysis of Impediments, and comments made about the Analysis,
- Participate in public hearings, comment upon the plan and its amendments, and register complaints about the Analysis and its amendments.

The City complied with the citizen participation requirements of the regulations by doing the following:

- Preparing, adopting, and following a Citizen Participation Plan;
- Publishing informational notices about the document prior to public hearings;
- Holding public hearings in accessible places at convenient times after providing reasonable notice;
- Publishing a summary of the Analysis, describing its contents and purpose and a listing of locations where the entire document could be examined;
- Making the Analysis available for public examination and comment for a period of thirty (30) days before submission to HUD;
- Providing citizens, public agencies, and other interested parties reasonable access to records regarding uses of assistance for affordable and supportive housing the City may have received during the preceding five years; and
- Considering the views and comments of citizens, and preparing a summary of those views for consideration with the submission.

The Office of Housing and Community Development staff conducted a well-publicized, evening public meeting at the Public Library. In addition, the Office conducted four focus group meetings, inviting members of the Human Relations Commission, representatives from lending and financial services organizations, community service organizations, housing developers, and housing advocacy groups. A survey was completed by each attendee at the focus group meetings and was made available to City residents on the City Website. The availability of the survey was noted not only on the Website, but also through a press release and PSA.

In addition, public meetings were held on Monday January 21, 2013 at the Greenhill Church located in New Providence and at the New Providence Policing Center on March 05, 2013. At both public meetings a presentation regarding the Draft Annual Action Plan for 2013-2014 was conducted. The public was asked to comment and provide feedback on the draft plan. There was a 30-day public review period from March 05, 2013 to April 05, 2013 where the document was made available for public comment. A City Council hearing to review and consider adoption of the 2013-2014 is scheduled for May 03, 2013. The staff also meets with low-income housing advocates and homeless providers on a bi-monthly basis to listen to their perspective on the transportation obstacles they face on a daily basis.

The following items were discussed during the public meetings.

- Sidewalks
- Blighted areas being cleaned up
- More affordable housing (single family)
- Apply for Choice Neighborhood grants
- Revitalizing the area- creating jobs for people who live in the area
- Security, lighting on city streets
- Bathroom for the local park
- Better bus connections to the industrial park
- Cleaning up trailer parks, why are they still moving in trailers into areas zoned for multi and single family residential units?

Institutional Structure

CDBG and HOME programs are implemented out of City Hall at One Public Square, 2nd Floor, Suite 201, by the Office of Housing and Community Development (OHCD). The OHCD works with the newly reformed Human Relations Commission to help citizens with Fair Housing issues. In addition, the OHCD works with a number of City departments and outside agencies to ensure special needs groups are served. Currently, the City is also working with locally certified Community Housing Development Organizations (CHDOs), and the Clarksville Housing Authority, and the Tennessee Housing Development Association (THDA) to expand the City's affordable housing stock. The OHCD will continue to identify additional qualified CHDOs to help rehabilitate and/or construct affordable housing. The OHCD in working with a variety of community agencies over the last thirty years has a well-established structure for implementing the funded programs.

The City of Clarksville will work with all area service providers, as identified in this strategy, to ensure that the objectives of the the strategies are met. Although private funding is not currently available to the City to address all the defined objectives at this time, the City, through the Community Development Office and other appropriate City departments, shall encourage the private and nonprofit sectors and assist with resources as deemed appropriate. Many of the area's nonprofit service providers currently receive the support of the private sector in terms of donations and volunteers that extend services to the City's low and moderate income citizens. These services would be greatly limited without the support of the private sector. At the time of submission, the City of Clarksville is not aware of any gaps in its insitutional structure that would impair its ability to carry out its Five Year Strategy and Annual Action Plans.

Monitoring

A Housing and Community Development Committee consisting of four (4) city council members appointed by the mayor, was formed to review the OHCD budget expenditures, ongoing and upcoming projects, as well as the goals and objectives, strategies and priority needs of the Office growth plan. The committee meets once a month.

All subrecipients for the City of Clarksville including those who serve homeless and low-income individuals are required to undergo a yearly monitoring for compliance with the CDBG regulations as stated in the original grant contract. Acceptance of CDBG funds obligates the City to ensure that CDBG monies are used in accordance with all applicable requirements.

Locally certified Community Housing Development Organizations (CHDOs) housing units are required to undergo a yearly monitoring and on-site inspection of the units.

Our objectives for monitoring are as follows:

- Ensure that CDBG funds are used in accordance with all program requirements
- Evaluate organizational and project performance
- Determine if the subrecipient is carrying out its community development program, and its individual activities, as described in the application for CDBG assistance and the Subrecipient agreement.
- Ensure that activities are carried out in a timely manner, in accordance with the schedule in the agreement
- Ensure that all costs charged to a project are eligible under applicable CDBG regulations, and reasonable in light of the services delivered
- Determine if activities are performed with adequate control over program and financial performance, and in a way, that minimizes opportunities for waste, mismanagement, fraud, and abuse
- Assess the continuing capacity of the Subrecipient to carry out the approved project.
- Identify political problem areas and assist them with complying with applicable laws and regulations
- Assist with the resolution of any compliance problems through discussion, negotiation, and technical assistance
- Provide adequate follow-up measures to ensure that performance and compliance deficiencies are corrected by the Subrecipient
- Comply with the federal monitoring requirements of 24 CFR 570.501 (b) and 24 CFR 85.40
- Determine if any conflicts of interest exist in the operation of the CDBG program, per 24 CFR 570.611
- Ensure that required records are maintained to demonstrate compliance with applicable regulations

Monitoring activities will occur no less than annually. If any concerns or findings are found then the City will be required to address those items in a letter to the Subrecipient and receive a written response from the Subrecipient within two weeks of the original letter. Any risk that is identified will need to be addressed within 30 days by the Subrecipient before any additional funds can be disbursed to the Subrecipient.

The City of Clarksville also provides ongoing monitoring of all other housing and community development projects through the use of IDIS. This system assists us in tracking costs, eligibility, and performance.

Lead-based Paint

Homes assisted by the City of Clarksville with HUD funds will continue to be subject to the required level of lead hazard reduction set forth by U.S. Department of Housing and Urban Development Healthy Homes regulations. Qualifying homes where safe work practice or an abatement contractor can be used to abate the lead-based paint hazard for a reasonable cost will be assisted. The evaluation and remediation of the homes considered for the rehabilitation program will continue to be assessed on a home-by-home basis.

Staff will attend lead base training when available.

HOUSING

Specific Housing Needs and Objectives

Priority 1: Conserve and Improve Affordable Housing:

The older housing stock in Clarksville suggests that repairs and rehabilitation will be required to maintain quality structures and living spaces. The City addresses this need through single-family rehabilitation assistance, and New Construction Program: (1) The Housing Rehabilitation Program offers assistance ranging from grants to zero-interest deferred payment loans. Eligible owners are those with household incomes not exceeding 80 percent of median income. A high priority is given to conserving and improving affordable housing stock, including addressing lead-based paint hazards. (2) The minor rehabilitation repair program consists of a one-time grant to the owner of the property. A maximum of \$10,000 per property will be granted for approved minor improvements. The intent of these improvements is to impact the overall exterior appearance of the property and thereby have a ripple effect on improving the aesthetics of the block, immediate neighborhood, and the City in general. (3) New construction offers assistance ranging from grants to zero-interest deferred payment loans to existing homeowners to reconstruct existing homes.

Priority 2: Provide First-Time Homebuyer Opportunities

Using HOME funds, the City offers residents of Clarksville with low to moderate income down payment assistance. The goal of the program is twofold: 1) to increase the percentage of homeowners in the community; and 2) to further assist the stabilization of residential neighborhoods by increasing the number of those persons who have a stronger economic stake in the overall appearance of their neighborhoods.

Priority 3: Support New Affordable Housing Construction:

The City will assist with the development of new affordable housing by working with for-profit and non-profit housing developers to acquire, rehabilitate, and/or construct new affordable housing units. HOME funds are available to assist in affordable housing production.

Priority 4: Public Services

The city will invest up to \$98,000.00 to assist eligible non-profit organizations to directly benefit low-income people, often people with special needs. These "special needs" populations include some of the most vulnerable residents, the elderly, homeless, people with mental and physical disabilities, chronic illness, and individuals living in public housing.

Priority 5: Public Facilities

The city will do one (1) public facilities project this year in a qualified census tract

Priority 6: Public Housing

The city will encourage the Clarksville Public Housing Authority to apply for Choice Neighborhood Grant

Priority 7: CHDO

The city will fund at least one possibly two CHDO projects

Priority 8: Acquisition, Demolition, and Clearance

The City will have funding available to clear four abandoned blight houses or buildings.

Specific Housing Objectives

Housing activities that benefit low- and moderate-income households receive a high priority in the 2013 Action Plan. The intended outcomes include improvement of existing affordable housing, first-time homebuyer opportunities for low- and moderate-income households, increased development of affordable single and multi-family housing, and the promotion of equal housing opportunities.

The City of Clarksville faces a number of important housing challenges. In particular, the conservation and improvement of the existing housing stock is critical in the City where many dwellings are relatively old and require some form of rehabilitation or improvement. City-sponsored residential rehabilitation assistance is necessary to:

- 1) Enable low- and moderate-income homeowners to carry out repairs they otherwise cannot afford; and
- 2) Facilitate neighborhood upgrading in general. Aside from the quality of housing, another issue of concern is affordability.
- 3) Continued efforts to expand the affordable housing stock will be the major means to address this need. The City of Clarksville continues to collaborate with non-profit organizations to accomplish a wide range of housing objectives, to include providing labor for housing rehabilitation projects beyond our scope of work, counseling for renters or owners, and homeless, emergency rental or utility bill assistance.

Federal, State, and Local Public and Private Sector Resources

The City of Clarksville has access to federal, state, and local resources to achieve its housing and community development priorities. Specific funding sources will be utilized based on the opportunities and constraints of each project or program. The City utilizes two major funding sources for housing and community development activities: CDBG and HOME funds. HUD awards CDBG and HOME funds to Clarksville based on a formula allocation that takes into account the tightness of the local housing market, inadequate housing, poverty, and housing production costs. CDBG funds can be used for housing and community development activities, and HOME funds are used to expand affordable housing opportunities.

The City's goal is to leverage federal, state, and local funds to maximize the number of households that can be assisted. Other funding sources are available to the City but not addressed in this planning document. Community development, housing, and economic development goals can be met with supplemental funds that may be leveraged.

Section 8: The U.S. authorizes the Section 8 Rental Choice Voucher Program. Housing Act of 1937, and is overseen by HUD's Office of Public and Indian Housing. The Tennessee Housing Development Agency (THDA) administers the local Section 8 Housing Choice Voucher Rental Assistance Program for Clarksville residents, providing rental assistance payments to owners of private market-rate units on behalf of low-income tenants.

Low Income Housing Tax Credits: Tax credits are available to individuals and corporations that invest in low-income rental housing. Usually, the tax credits are sold to corporations with a high tax liability and the proceeds from the sale are used to create the housing.

Needs of Public Housing

Clarksville Office of Housing Community Development is committed to enhancing the living conditions of PHA residents. The staff worked with residents to start a steering committee, to help them have a voice in upcoming planning events.

In order to engage residents and achieve success, community service programs should be implemented, and designed in ways that tie community service activities to training, education, and real job opportunities. Public housing residents should be active partners in the planning and implementation of any community program. The isolation and barriers between public housing residents and the surrounding community must be dissolved. Public Housing Administration staff should be doing more to revitalize public housing in Clarksville. In that regards, the OHCD is attending CHA board meetings and Resident Council meetings to help guide the parties into apply for HUD's Choice Neighborhoods initiative.

HUD designed Choice Neighborhoods as a successor to the HOPE VI program. According to HUD:

"The Choice Neighborhoods initiative is intended to transform distressed public and assisted projects located in neighborhoods into viable and sustainable mixed-income neighborhoods by linking housing improvements with appropriate services, schools, public assets, transportation, and access to jobs. A strong emphasis is placed on local community planning for access to high-quality educational opportunities, including early childhood education. Choice Neighborhoods grants are intended to build upon the successes of public housing transformation under HOPE VI to provide support for the preservation and rehabilitation of public and HUD-assisted housing, within the context of a broader approach to concentrated poverty

Barriers to Affordable Housing

The provision of adequate and affordable housing for all residents is an important goal for the City of Clarksville. However, many factors can discourage or constrain the development, maintenance, and improvement of the housing stock. These factors include physical constraints, land availability, the economics of development, and governmental regulations, all of which may impact the cost and amount of housing produced. These constraints may result in housing that is not affordable to low- and moderate-income households, or may render residential construction economically infeasible for affordable housing developers. Local governments cannot control many of the factors that tend to restrict housing supply, especially those that relate to economic conditions and supply and demand for housing.

Specific zoning and land use regulations can limit the land designated for residential uses and regulate the allowable densities. The City must plan for other uses besides housing, including active commerce, open space, and areas for public facilities. The need for a variety of housing and the pursuit of affordable housing must be balanced with these other City needs.

The Clarksville-Montgomery County Land Use Plan provides a range of single-family Residential development options. The City's cluster option allows for denser development with the use of a green area. The City's sidewalk/underground utilities ordinance also allows dense development in single-family residential zones. Clarksville's lack of infrastructure and rapid single-family housing expansion (uncontrolled growth) is its primary constraint to accommodating future growth. New subdivisions have price ranges that are all the same through the entire subdivision. With no price diversity at all, developers and builders are building bigger houses on smaller lots trying to take advantage of the lack of local government affordable housing regulations. There is currently a very small amount of affordable housing being built due to developers having control of the single-family housing market.

The Clarksville Gas & Water Department could offer reduced or no tap fees for Affordable Housing projects. This could also help reduce the amount of HOME match funds the city is required to fund. Infill and refill development in the city center could also be given a reduced or no tap fee to help entice developers to develop in these critical areas of the city.

(HOME) First Time Home Buyers Program

Program Overview: The City of Clarksville's First Time Home Buyers Program is a homeownership program designed to help income eligible households with down payment and closing cost assistance to purchase their first home within the City Clarksville. The program is administered through Office of Housing and Community Development.

The U.S. Department of Housing and Urban Development (HUD) provides the CITY with funding through the HOME Investment Partnership Program (HOME) for the purpose of expanding or improving affordable housing to lower income residents of Clarksville. The CITY allocates a portion of its annual allocation of HOME funds to offer grants, deferred payment loans (DPL) for down payments, and approved closing costs to qualified lower income households who want to become homebuyers.

The purpose of this program is to make funds available to qualified persons who wish to purchase a home but need financial support with initial costs. These costs include the down payment, as well as the closing costs and prepaid items required to obtain homeownership. These expenses can add up to a substantial amount, and the inability to cover these costs may prevent many individuals from achieving homeownership.

The Homeownership Assistance offered through the City's First Home program is payable in accordance with specific guidelines. Down Payment funds are fully forgiven provided applicant resides in the house for at least five years and one month. Closing costs provided to first time homebuyers will be considered due upon sale or other transfer. The agreement made between the buyers, the City will be attached to the property under two Notes, and a Deed of Trust, as a second to the lender's first.

WHO QUALIFIES?

The City's program is designed to assist families determined to earn income within and 30%- 80% of the area median income for Clarksville, TN. The current (2008) median income for a family of four in Clarksville, TN is set at \$51,300. Maximum income limits will be adjusted according to the most recent income figures published by the Department of Housing and Urban Development. Qualifying households would need to meet the following income limits:

Purpose

To provide down payment and closing cost assistance to households that qualify as first-time homebuyers through the City's First Time Home Buyers Program guidelines.

To promote the acquisition and production of more affordable owner occupied units for very low and low-income individuals and families.

Specific Homeless Prevention Elements

*Please also refer to the Homeless Needs Table in the Needs.xls workbook.

1. Sources of Funds—Homeless Assistance and Prevention

The Emergency Shelter Grant Program awarded \$193,848.00 to non-profits serving Clarksville/Montgomery County to help area homeless and domestic violence shelters.

Clarksville, TN

Non-profits that serve Clarksville/Montgomery County provided housing assistance to 115 new households who were homeless or at risk of being homeless through the Homeless Prevention and Rapid Re-Housing Program (HPRP). (THDA)

McKinney-Vento Shelter + Plus Care - Mental Health Coop awarded one (1) year grant for ~~\$105,660.00~~

2. Homelessness—an effective prevention and re-housing system has three layers: prevention, shelter diversion, and rapid re-housing. Homelessness prevention serves a large number of people who are at risk of homelessness and is the least expensive intervention on a per client basis. If prevention fails to identify somebody at risk of homelessness or fails to prevent a person's homelessness, that person may contact and enter the shelter system.

Diversion is essentially an eleventh hour effort to prevent homelessness by assisting people who apply for shelter by identifying other safe housing options and resources, even if they are temporary. If prevention and diversion fail, and people become homeless, then rapid re-housing minimizes their stay in homelessness by quickly helping them move into permanent housing. On average, the interventions should get progressively more intensive, although the level of assistance for an individual household will depend greatly on the specific circumstances of that household.

However, prevention, diversion, and re-housing target distinct populations, many of the activities are similar. It is entirely possible, and in some cases preferable, to have a single program or providers perform two or three of those functions.

Prevention

Effective prevention programs typically assess immediate housing needs, explore housing options and resources, provide flexible financial assistance, and, when appropriate, offer voluntary case management services focused on housing stabilization. Mandating case management usually offers no added benefit. In cases where the current housing situation cannot be stabilized, housing location and short-term rental assistance may be necessary to help find a new housing unit. (Activities—Housing Location, Flexible Financial Assistance, Rental Assistance, and Case Management—are described below).

Prevention assistance must be carefully targeted to have a meaningful impact on homelessness, as most people who have a housing crisis do not become homeless. At a minimum, prevention resources should be targeted to people who have extremely low incomes (below 30 percent of area median income), who have a demonstrated housing crisis (e.g. request to vacate doubled up situation), and who lack protective factors, such as friends or family members who can help them. If possible, Homeless Management Information System (HMIS) data or other data about homelessness in the community should be assessed to identify additional factors that would help target resources to those most at risk of homelessness. In the absence of local data, programs should use risk factors described later in this document.

Diversion

Diversion programs attempt to prevent homelessness for people who are applying for shelter. Diversion programs try to help people return to the housing they just left or move in with friends or family using financial incentives or mediation. If that situation

cannot be made permanent, then the diversion program will work to immediately locate other housing. Targeting is clearer with diversion programs because people applying for shelter are at high risk. As with prevention programs, diversion programs typically involve one-time financial assistance and the offer of brief case management. When that is not sufficient, then housing location and short-term rental assistance may be necessary.

Rapid Re-housing

Re-housing programs work with people who are already homeless to help them quickly move into rental housing. Rapid Re-housing programs tend to be short-term (1 – 12 months) and involve housing location, financial assistance, and an offer of case management. Short-term rental assistance is provided when necessary. When serving people with significant disabilities or with very limited income capacity, rapid re-housing programs must coordinate with other community resources to ensure that participants are linked to ongoing assistance, such as housing vouchers, intensive case management, or assertive community treatment.

To be most effective, communities should offer all three types of services (prevention, diversion, and re-housing). Having only a diversion or re-housing program will encourage people in crisis to enter the shelter system to get assistance, which could unnecessarily overwhelm the shelter system. Communities lacking a re-housing program will likely result in people staying in shelters longer than necessary, which is costly and results in poor outcomes.

Integrate and coordinate programs whenever possible. For example, the same housing locators and case managers can serve people through the prevention, diversion, or re-housing programs. In some smaller communities, a single program could provide eviction prevention, diversion, and re-housing interventions. In most communities, a single program could provide flexible financial assistance and rental assistance for people in all three types of programs.

A community should also consider other resources available to them to supplement their prevention and re-housing efforts. For example, States are receiving additional funding for Temporary Assistance to Needy Families (TANF) that can be used to provide short-term rent assistance and other help that effectively prevents or ends homelessness.

Examples of resources can be found in this document:

<http://www.endhomelessness.org/content/article/detail/2179>.

Chronic homelessness— BVI as lead agency in HNM, provides the offices and administration and staff to carry out this program. As lead agency and under the direction of the HNM Steering Board, we are actively participating in and coordinating the HPRP activities for our CoC. Local PHAs, government, social services agencies, veteran's groups, and faith based agencies, utility companies were contacted via mail/email/faxes as well as invitation to local meetings where HPRP was described, and HPRP activities, enrollments, etc. were explained. An 800 central intake number was publicized for easy access to HPRP staff.

Homelessness Prevention—Experts estimate that two to three families are on the verge of homelessness for every family in a shelter. This at-risk population is comprised of families and individuals living in poverty who, upon loss of employment or other emergency requiring financial reserves, would lose their housing and become homeless. These families are generally experiencing a housing cost burden, paying more than 30 percent of their income for housing. Clarksville has a substantial number of households with an income of less than \$15,000; 15.8 percent of households, some 7,438 households, are below this figure. This group is considered at risk of becoming homeless. Other persons considered at risk for becoming homeless include victims of domestic violence, persons with HIV/AIDS, youth recently released from foster care, and parolees. To help prevent homelessness and protect at-risk populations, Clarksville will continue to participate in the Middle Tennessee Continuum of Care to provide assistance to persons at risk of becoming homeless.

Effective prevention programs typically assess immediate housing needs, explore housing options and resources, provide flexible financial assistance, and, when appropriate, offer voluntary case management services focused on housing stabilization. Mandating case management usually offers no added benefit. In cases where the current housing situation cannot be stabilized, housing location and short-term rental assistance may be necessary to help find a new housing unit. (Activities—Housing Location, Flexible Financial Assistance, Rental Assistance, and Case Management—are described below).

Prevention assistance must be carefully targeted to have a meaningful impact on homelessness, as most people who have a housing crisis do not become homeless. At a minimum, prevention resources should be targeted to people who have extremely low incomes (below 30 percent of area median income), who have a demonstrated housing crisis (e.g. request to vacate doubled up situation), and who lack protective factors, such as friends or family members who can help them. If possible, Homeless Management Information System (HMIS) data or other data about homelessness in the community should be assessed to identify additional factors that would help target resources to those most at risk of homelessness. In the absence of local data, programs should use risk factors described later in this document.

Discharge Coordination Policy—for each system of care identified below describe the CoC's efforts in coordinating with and/or assisting in the development of local discharge planning policies that ensure persons are not routinely discharged into homelessness, including the streets, emergency homeless shelters, or other McKinney-Vento homeless assistance housing programs.

Foster Care (Youth Aging Out):

Foster Care: Foster Care Discharge policy: The Tennessee Foster Care program normally discharges youth at age 18. At the time of discharge the case manager discusses with the youth the various options available. If the youth chooses to leave custody, the case manager is required to provide the youth with referrals for housing and services options. A youth may stay in custody and receive services that include housing in four categories:

1. Volunteer placement in foster care to complete high school or to receive a GED and have part-time employment. The youth may remain in care to age 19 before discharge.
2. Volunteer placement in the Independent Living program to attend and receive a secondary education. The youth will have services, which include housing while earning a vocational degree, Associate degree, or Bachelor's degree.

3. Volunteer placement in the Transitional Living program to prepare the youth for living as an adult. The youth may have services, which include housing assistance to age 23.

4. Volunteer placement with the Mentor/Host Home program to prepare the youth for independent living with assistance from a mentor/host family. This program may include housing assistance or housing with the host family.

Health Care:

The VA/Vanderbilt hospital and TN Valley Medical Center have policies to assist veterans being discharged that include placement in rehabilitation centers, transitional housing and permanent housing. The housing plan after discharge is a part of the veteran's treatment plan? The case managers and social workers make every effort that individuals/families housing needs are met prior to discharge. Local hospitals such as Maury Regional, Sumner Regional, Gateway Medical, Harton Regional, Crockett General, Perry Community, Horizon Medical, and Williamson Medical, have policies in place that require the facilities case manager/social workers to arrange for persons leaving the centers to have adequate housing at time of discharge. This is done in conjunction with referrals to rehab centers, healthcare transitional housing, PHA, local independent property owners and with family members. ER discharges are referred to local emergency shelters for temporary housing until permanent housing can be attained most noted for victims of DV.

Mental Health:

There is no mental health or psychological hospitals in the CoC area. However the State Psych Hospital is in one of the neighboring counties. The CoC has representatives involved in the discharge planning. In Tennessee, all state associated mental health treatment centers are required to have a service/treatment plan for every consumer that includes discharge plans. The discharge plan does include provisions for appropriate housing at the time of discharge. Case managers/social workers in the facilities are required to make referrals to local rehabilitation centers, nursing homes, boarding homes, group homes, mental health care provider housing, independent living programs, transitional housing programs or to family placement prior to discharge to assure the consumer has appropriate housing established prior to discharge. Our continuum has two large mental health centers (Centerstone and Mental

Health Co-op) located with easy access to/from services.

Corrections:

The TN State Correctional system has established specific release policies that highly suggested that all individuals leaving custody have a service plan that includes housing that is safe and affordable. The case managers of the facilities alternatively, probation officers assist the individuals with referrals to local halfway houses, local landlords or family members that assure the individuals has housing at time of discharge. Several local jails in the CoC have Criminal Justice Liaison, funding by a state grant that works with inmates with mental illness in assisting with their MH care needs while in custody and at time of discharge including safe affordable housing. There is currently a Transitional Re-Entry program in TN trying to replicate a best practice model to reduce the homelessness numbers at prison exit. CoC will continue to work with the Transitional Re-Entry group to address this issue. The case managers of the facilities or probation officers assist individuals with linkages and referrals to local halfway houses, local property owners, or family members that assure the individual has housing at the time of discharge.

COMMUNITY DEVELOPMENT

Community Development

*Please also refer to the Community Development Table in the Needs.xls workbook.

Priority Community Development Needs

Under HUD regulations, CDBG funds may be used to provide services and facilities that benefit primarily those residents earning up to 80 percent of area median income. CDBG funds may also be used to provide or improve facilities located in areas where the majority of the population (51 percent) earns less than 80 percent AMI.

The City may pursue economic development activities through various approaches to assist businesses and developers to create jobs for low- and moderate-income persons. The City is required to utilize 70 percent of its total CDBG allocation to directly benefit low- and moderate-income persons.

A priority ranking has been assigned to each community development category for purposes of using CDBG and HOME funds. Activities to address high priority needs are expected to be funded during FY 2013-2014. The overall priority community development need for the Action Plan is to foster a suitable living environment for low- and moderate-income households and economic opportunities for low- and moderate-income individuals and local businesses.

Specific Long-Term and Short Term Community Development Objectives

The following are community development priorities (in order) and activities to be pursued in FY 2013-2014 using CDBG funds:

1) Create a Neighborhood Revitalization Strategy: The city will concentrate its CDBG funds and efforts in the Qualified Census Tracts in an effort to address issues of slum and blighting conditions, abandoned structures, infrastructure needs and economic development. By doing this the city will use its limited CDBG and HOME funds to inject resources and investment whenever possible into an identified area to work toward the goal of revitalizing the neighborhood and encourage outside investment and renewal into a declining neighborhoods. Using such a strategy, the City would be eligible to apply for Section 108 loan funds to help finance the costs of the neighborhood revitalization activities.

2) Infrastructure Improvement Planning:

Annually, the Street Department assesses the need for public facility and infrastructure improvements. Such improvements include, but are not limited to, streets, curbs, gutters, sidewalks, streetlights, sewers, storm drains, traffic signals, electrical distribution systems, off-street parking, landscaped areas, and under-grounding of existing utilities. Improvements to public facilities, including those to provide handicapped access, are also potential capital improvements that may be funded during the year.

One (1) capital improvement activity has been planned for FY 2012-13;

Clarksville, TN

Proposed Accomplishment:	1 public improvement over 5 years
Proposed Funding:	\$50,000.00

3) Provide for needed Community and Supportive Services: The City may use CDBG funding to provide a variety of needed services to low- and moderate-income and special needs persons in the community, up to a total of 15 percent of the allocation. Priority service needs identified in the Consolidated Plan include Domestic Violence prevention, self-sufficiency programs, homeless prevention programs.

Proposed Accomplishment:	300 people
Proposed CDBG Funding:	98,000

4) Support Code enforcement services: During the program year, the Code Enforcement Division will continue to receive and investigate complaints. Some of these complaints will be in areas identified as low and moderate-income areas. Once a complaint is received, it will be confirmed and the violators notified. In addition, the Code Enforcement staff will observe code violations. The program is eligible under Low/Mod Area Benefit. CDBG-funded code enforcement activities will focus on the correction of building code violations.

Goals of the program are:

Remove four abandoned houses

Refer potentially eligible housing projects to the OHCD for possible assistance.

Proposed Accomplishment:	Code enforcement \$35,000

Antipoverty Strategy

According to the 2010 U.S. Census, over 16.1 percent of Clarksville residents were living below the poverty level. Among families with children under the age of 18, more than 25.8% percent were living below the poverty level. Female-headed families with children experienced even higher levels of poverty, with 40.6 percent living below the poverty level in 2010.

The challenges associated with poverty, including stress, strained family relationships, substandard housing, lower educational attainment, limited employment skills, unaffordable childcare, and transportation difficulties, make it difficult for low-income families to obtain and maintain employment, and therefore housing and basic needs. The City seeks to reduce the number of people living in poverty (extremely low-income households earning less than 30 percent of the MFI) by continuing to implement its anti-poverty strategy, which includes providing a number of programs, including housing assistance, supportive services, and economic development assistance.

Economic development activities should be initiated through the City's Redevelopment Plan. The plan could improve self-sufficiency among lower- and moderate-income households and therefore reduce the number of people in poverty. The plan left out affordable housing and economic development for low to moderate-income citizens. The city will utilize CDBG funds under section three to hire low-moderate income persons to help reduce the poverty rate.

Several Infrastructure projects may become available through CDBG-DR funding through the State of Tennessee Office of Planning and Economic Development. Drainage, riverbank stabilization, and neighborhood revitalization are high priorities for CDBG-DR funding.

1. Priorities and Specific Objectives

Certain segments of the population may have difficulty finding decent, affordable housing and accessing community facilities and services due to their special needs. These "special needs" populations include the elderly, frail elderly, persons with severe mental illness, persons with developmental or physical disabilities, persons with drug and/or alcohol addiction, and persons with AIDS and their families. The Non-Homeless Special Needs Table in Appendix A includes population estimates for each of these groups.

Clarksville will assist special needs populations through the provision of community services, and improvements to facilities (including ADA improvements). These priorities and specific objectives are outlined in the Specific Housing Objectives Section and the Priority Community Development Needs Section, as well as the Needs and Objectives Tables in Appendix A.

2. Use of Federal, State, and Local Resources

The City utilizes two major funding sources for housing and community development activities: CDBG and HOME funds. The City's goal is to leverage federal, state, and local funds to maximize the number of households that can be assisted. It is expected that Clarksville and a variety of human service and housing agencies will pursue funding from private, local, state, and federal resources to assist with their delivery of services for those with special needs. The resources that can reasonably be expected to be available to assist persons with special needs include federal (CDBG and HOME), state grants, and local public and private sector resources. It is anticipated that these resources will be used to support the provision of housing and services to those in need. More detail on other local and federal funding sources is also provided in the Specific Housing Objectives section.

Other Narrative

Fair Housing

Two public meetings were held to discuss Action Plan (see public notices and sign in sheets)

Comments from the public hearing are posted on the website (see action plan page 18) www.cityofclarksville.com

Projects bid with CDBG funds have the following statement:

The City of Clarksville is an equal Opportunity Employer and does not discriminate based on race, color, national origin, sex, religion, age, or handicapped status in the employment or procurement of services. Woman and minority owned business are encouraged to apply.

In January at the annual Freedom March a booth was set up in a local gym located in a qualified census tract, and Fair Housing information was passed out to the citizens.

Impediments, Recommendations, and Actions

IMPEDIMENT ONE – NEED FOR INCREASED AWARENESS, OUTREACH, AND EDUCATION

Clarksville has an active fair housing program. However, focus group discussions and survey results in particular note a lack of knowledge about fair housing law, policies, and practices. The need for on-going education, awareness, and outreach remains, especially among lower income households and minorities.

Recommendations:

- 1) Continue and expand efforts by City agencies, housing advocacy groups, and service organizations to inform renters and homebuyers of their rights and means of recourse if they feel they have been discriminated against.
- 2) Conduct City-led training sessions and information campaigns especially among rental property owners and managers, as well as apartment owner associations, and management companies.
- 3) Convene focus groups of advocacy groups, community based organizations, real estate industry professionals, lenders, property owners, and government agency officials to review and assess fair housing issues. These groups should identify discriminatory practices, trends, or changes in these practices, focal points of discriminatory practice, and the means or methods to address them.
- 4) Update Fair Housing information regularly and adjust strategies and actions accordingly. In particular, the groups mentioned above should continue to meet yearly (or perhaps twice yearly), for example at the Housing Summit.
- 5) Expand awareness efforts through school programs (e.g., poster contests, essay contests) coordinated with Fair Housing Month programs, and devote a Housing Summit session specifically to fair housing law and practice.
- 6) Work with housing advocacy and not-for-profit organizations to develop homeownership and home maintenance educational programs for first-time homebuyers to better prepare them for the responsibilities of ownership and home maintenance.
- 7) Continue and, if possible, expand existing to educate households and housing related organizations by disseminating Fair Housing law literature, conducting Fair Housing law seminars and training, and focusing public awareness campaigns about Fair Housing law in ethnic and minority neighborhoods, and among civic, social, religious, and special interest groups.
- 8) Provide Fair Housing materials and educational programs in Spanish, especially in neighborhoods and communities with high percentages of Spanish-speaking persons.

IMPEDIMENT TWO – LIMITED SUPPLY OF AFFORDABLE HOUSING

As discussed earlier, affordability is one aspect of housing discrimination and it is difficult to talk about addressing impediments to fair housing, and actions to eliminate discrimination in housing, without simultaneously talking about development of policies, plans, programs, and projects to increase the supply of affordable housing.

Earlier sections of this Analysis addressed the issue of affordability. Suffice to say that even moderate-income households face challenges in purchasing a home in Clarksville, and low-income families face a significant cost burden for rental housing. Incentives for the creation of affordable housing should be structured so that they are stringent enough to produce the desired units, but palatable to the developer as well.

Recommendations and Actions

- 1) Continue to use all available federal and state funding resources and programs to address high priority housing needs for rehabilitation, preservation, and development of affordable units.
- 2) Continue to work with community based organizations, affordable housing developers, and housing advocacy groups to increase the supply of disability accessible housing units, leveraging resources to the extent possible.
- 3) Take advantage of the Neighborhood Stabilization Program resources to acquire housing units and make them affordable.
- 4) Continue and, if possible, expand housing rehabilitation programs to maintain the City's base of affordable units, both owner-occupied and rental.
- 5) Research other affordable housing programs for additional ideas and practices.
- 6) Continue to seek incentives to promote developers constructing a wide range of housing types at a number of price points, considering transportation; employment centers and the availability of services and shopping in their planning (See government policies below).
- 7) Housing for special needs populations and minorities should be scattered throughout the City.

IMPEDIMENT THREE - LACK OF CLEAR COMPLAINT AND ENFORCEMENT STRUCTURE

The City is aware of, and the survey and focus group discussions reinforced, the idea that there is no clear resource, agency, or mechanism to report housing discrimination. Beyond that, it appears that people would not report such discrimination because they feel it is useless or could bring negative consequences. This perception can be dispelled by first developing a clearly identified place and means to file a query or complaint, and then following through on that complaint while protecting the complainant.

Recommendations and Actions

1. The City should continue its efforts to make the Human Relations Commission the focal point for receiving and acting upon fair housing queries and complaints.
2. This entails a concerted effort to educate the public about the role of the Commission and how to contact the Commission with inquiries and formal complaints. This also means providing the Commission with the tools and resources to carry out its mission.
3. The City should emphasize ADA requirements and accessibility guidelines to all building department, code enforcement, and planning staff and Commissioners.

IMPEDIMENT FOUR – GOVERNMENT POLICIES

This impediment deals with issues relating to the development of land including housing that is available to a wide range of persons and income levels in disparate locations. This goal is affected by a wide range of factors, some of which are beyond the ability of the City to change.

Though not raised as an on-going concern in Clarksville, the proposed development or location of affordable housing, group homes, public housing, or Section 8 housing often draws storms of criticism and opposition from neighborhood residents. This “not-in-my-backyard” (NIMBY) attitude affects the availability of housing for people in the protected classes and is a significant challenge to achieving fair housing objectives.

While it is difficult to avoid this attitude, the City can take some measures to mitigate these challenges.

Recommendations

- 1) Ensure that reasonable accommodation and disabled access issues are properly addressed in municipal zoning and construction codes, especially noting the definitional issues raised earlier.
- 2) Do as much as possible to reduce review and approval process times for both new construction and home modification applications.
- 3) Encourage the use of universal design principles in new housing developments.
- 4) Ensure that local zoning ordinances and building codes properly address issues of concern with respect to higher density housing, persons with disabilities, and group homes/congregate living/community care.
- 5) Encourage developers, housing advocacy groups, and other interested parties to conduct neighborhood outreach and information campaigns before submitting projects for review and approval.
- 6) As noted in Impediment One, undertake a public outreach/education program about fair housing and affordable housing on a regular basis. While such efforts will not lay all misconceptions to rest, a broader understanding of the nature of fair housing and the types of persons and families involved will mitigate at least some opposition.
- 7) Seek new or additional incentives, as noted in Impediment Two, to get developers to undertake affordable projects or to include affordable units in market rate projects.

IMPEDIMENT FIVE – AWARENESS OF POTENTIAL DISCRIMINATION

The review of demographic information does not provide a clear indicator of housing discrimination among persons in the protected classes. However, statistical data can assist in identifying potential problems and topics of concern.

In the current economy and given the structure of the City’s housing stock, the incidences of discrimination may focus on rental housing, and the focus of efforts in the immediate future should be upon aspects of discrimination in the rental market, and upon some groups within the protected classes.

In particular, discrimination among two protected classes should be addressed.

- Disabled persons may face discrimination or difficulties in finding appropriate units because of the small number of small units and the costs of building or adapting units.
- There are a high percentage of family households and those families are slightly larger than the national norm, indicating a demand for larger housing units.

Recommendations

- 1) Increase housing choice alternatives for the disabled and families with children by encouraging the construction of affordable, and especially rental, housing.
- 2) Convene focus groups of advocacy groups, community based organizations, real estate industry professionals, lenders, property owners, and government agency officials to review and assess fair housing issues. These groups should identify discriminatory practices, trends, or changes in these practices, focal points of discriminatory practice, and the means or methods to address them (See advocacy and outreach above).
- 3) The County should create a Fair Housing testing and auditing program, focusing upon rental properties at this time.

Workforce Housing Affordability – 2011

Housing Affordability for Home Buyers and Renters with Selected Occupations in Tennessee and Metropolitan Statistical Areas (MSAs)

As the housing opportunity index on the earlier pages showed, in 2011, buying a home became more affordable for a family earning the median income of the area compared to 2010. However, housing affordability was still a problem for single wage earners working at various occupations. Registered nurses, police officers and educators were generally able to purchase or rent a median-priced home without being cost burdened in most MSAs and in the state as a whole. Educators in Nashville and police officers and educators in Morristown could not afford to buy at the median price, but they could afford to rent. Homeownership was out of reach for many single wage earners when the average hourly wage rate for all occupations is considered. Wait staff, cashiers, and retail sales persons could not afford to buy or rent a median-priced home in any MSA.

 - (B) If there is also an emergency in the jurisdiction of the responding party at the time a request is made, or one occurs in the course of responding to a request under this contract, and the senior fire officer or Chief's designee of the responding may choose to use all equipment and personnel in his own jurisdiction. In such case, the senior fire officer or Chief's designee of the responding party shall inform the senior fire officer or Chiefs designee of the requesting party of his decision.
3. It shall be the responsibility of the responding party to see that all personnel responding to the request for assistance are responsible persons, and the conduct and actions of said personnel shall be the responsibility of the party sending assistance.
4. When fire personnel are sent to another jurisdiction pursuant to this contract, the jurisdiction, authority, rights, privileges, and immunities, including coverage under the Worker's Compensation Laws, which they have in the sending fire department, shall be extended to and include the area in which like benefits and authorities are or could be afforded to fire

5. The party who requests mutual aid shall in no way be deemed liable or responsible for the personal property of the members of the fire department of the responding party which may be lost, stolen or damaged while performing their duties in responding under the terms of this contract.
6. The party responding shall assume all liability and responsibility for damage to its own apparatus and/or equipment. The party responding shall also assume all liability and/or responsibility for damage caused by its own apparatus and/or negligence of its personnel while enroute to or returning from a specific location.
7. The party responding under the terms of this contract shall assume no responsibility or liability for property damaged at the scene of an emergency; said liability and responsibility shall rest solely with the party requesting such aid and within whose boundaries the property exists or the incident occurs.
8. No compensation will be paid by the parties under this contract for mutual aid emergency assistance rendered.
9. The respective parties agree that no claim for compensation will be made by either against the other for loss, damage, or personal injury occurring in consequence of mutual aid emergency assistance rendered under this contract, and all such rights or claims are hereby expressly waived.
