### **Grant of Franchise**

Nothing in this Franchise shall be construed to prohibit the Grantee from offering any service over its Cable System that is not prohibited by federal, State or local law.

**2.2 Term.** The Franchise and the rights, privileges and authority hereby granted shall be for an initial term of five years ( 5) years commencing on the Effective Date of this Franchise of January 1, 2015, and ending on December 31, 2020, as set forth in subsection 15.8, unless otherwise lawfully terminated in accordance with the terms of this Franchise.

### **2.3 Additional Franchises.**

2.3.1 **Additional Cable Franchise, Construction or Operation in More Favorable Terms.** If, following the Effective Date, another multichannel video provider (MCVP) constructs and/or operates a cable system in Franchising Authority's jurisdiction, whether or not franchised by a process similar to Grantee's, and the Grantee believes that said MCVP's franchise or unfranchised operating situation bestows benefits and imposes burdens on such third party which on balance, are materially more advantageous to such third party than the benefits bestowed and imposed on the Grantee by this Agreement are to the Grantee, then, at any time, the Grantee may request that the Franchising Authority make a determination to such effect and, in the event of such a determination, request renegotiation of terms and conditions of this Agreement as provided below. The Franchising Authority shall provide advance written public notice of any third party application to obtain an Additional Cable Franchise Agreement.

2.3.2 **Procedure.** In the event of such a request, the Franchising Authority will consult with the Grantee to determine, under its standard procedures, whether the Additional Cable Franchise Agreement or unfranchised operating situation bestows benefits and imposes burdens on the third party, which on balance, are materially more advantageous to the third party than the benefits and burdens imposed by this Agreement are to the Grantee.

2.3.3 In making a determination under this subsection, the Franchising Authority will consult with the Grantee to consider factors such as, but not limited to: (i) the term of the franchise; (ii) the franchise fee to be paid by each Grantee, including the Grantee herein; (iii) the number and density of dwelling units to be served; (iv) differences in construction, operational and maintenance costs; (v) differences in required system characteristics, including state-of-the-art requirements; (vi) differences in service obligations, including EG Access and institutional

service requirements; (vii) differences in permitted Grantee fees and charges; and (viii) such other factors and considerations as it considers to be relevant to an inquiry into the overall economic, technical and operational comparability of the agreements or situations. If the Franchising Authority determines that the Additional Cable Franchise Agreement or unfranchised operating situation bestows benefits and imposes burdens on the third party which, on balance, are materially more advantageous to the third party than the benefits bestowed and burdens imposed by this agreement are to the Grantee, then upon the Grantee's request, the Franchising Authority and the Grantee shall enter into good faith negotiations to seek to modify this Agreement to bestow benefits and impose burdens which, on balance, create overall economic, technical and operational comparability between this Agreement and the Additional Cable Franchise Agreement or unfranchised operating situation.

**2.4 Police Powers and Conflicts with Franchise.** In accepting this Franchise, the Grantee acknowledges that its rights hereunder are subject to the police power of the Franchising Authority to adopt and enforce the laws and regulations of general applicability necessary to the safety and welfare of the public; and it agrees to comply with all applicable general laws and franchises enacted by the Franchising Authority pursuant to such power. Subject to its lawful police powers, the Franchising Authority may not, by franchise or otherwise, alter any of the Grantee's material rights, benefits, obligations or duties as specified in this Franchise. In the event of a conflict between any ordinance and this Franchise, this Franchise shall control, provided, however, that the Grantee agrees that it is subject to the lawful police power of the Franchising Authority.

**2.5 Cable System Franchise Required.** No Cable System shall be allowed to occupy or use the streets or public rights-of-way of the Service Area or be allowed to operate without a Cable System Franchise to the extent that the Franchising Authority is allowed by law to require one.

**3.2 Assessment of Needs.** In addition to the procedures set forth in Section 626(a) of the Cable Act, the Franchising Authority agrees to notify the Grantee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of the Grantee under the then current Franchise term. The Franchising Authority further agrees that any such assessments shall be provided to the Grantee promptly so that the Grantee has adequate time to submit a proposal under Section 626(b) of the Cable Act and complete renewal of the Franchise prior to expiration of its term.

### **SECTION 4** **Indemnification and Insurance**

**4.1 Indemnification.** The Grantee shall, by acceptance of the Franchise granted herein, defend the Franchising Authority, its officers, boards, commissions, agents, and employees for all claims for injury to any person or property caused by the negligence of Grantee in the construction, installation, or maintenance operation of the Cable System and in the event of a determination of liability shall indemnify and hold Franchising Authority, its officers, boards, commissions, agents, and employees harmless from any and all liabilities, claims, demands, or judgments growing out of any injury to any person or property as a result of the violation or failure of Grantee to observe its proper duty or because of the negligence of Grantee arising out of the construction, repair, extension, maintenance, operation or removal of its wires, poles or other equipment of any kind or character used in connection with the operation of the Cable System, provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify the Franchising Authority within ten (10) days of receipt of a claim or action pursuant to this section. Notwithstanding the foregoing, the Grantee shall not be obligated to indemnify the Franchising Authority for any damages, liability or claims resulting from the willful misconduct or negligence of the Franchising Authority or for the Franchising Authority's use of the Cable System, including any EG channels

**4.5 Other Purposes.** The Performance Bond also shall serve as security for:

- (a) The faithful performance by the Grantee of material terms, conditions and obligations of this Agreement, including, but not limited to, the insurance requirements set forth in Section 4 or compensation requirements set forth in Section 10;
- (b) Any unreimbursed expenditure, damage or loss incurred by the Franchising Authority occasioned by the Grantee's material failure to comply with all rules, regulations, orders, permits and other lawful directives of the Franchising Authority issued pursuant to this Agreement;

**4.6. Not a Limit on Liability.** The obligation to perform under, and the liability of the Grantee pursuant to, this Agreement shall not be limited by the acceptance of the Performance Bond required by this Section.

However, no location of any pole or wire holding structure of the Grantee shall be a vested interest and such poles or structures shall be removed or modified by the Grantee whenever the Franchising Authority reasonably determines that the public convenience would be enhanced thereby. The costs for such removal or modification shall be paid by Grantee if all other users of the streets are also required to pay such costs for their facilities.

**8.2 Underground Construction.** The facilities of the Grantee shall be installed underground in those Service Areas where existing telephone and electric services are both underground at the time of system construction. In areas where either telephone or electric utility facilities are installed aerially at the time of system construction, the Grantee may install its facilities aerially with the understanding that at such time as the existing aerial facilities are required to be placed underground by the Franchising Authority, the Grantee shall likewise place its facilities underground.

**8.5 Removal in Emergency.** Whenever, in case of fire or other disaster, it becomes necessary in the judgment of the Franchising Authority to remove any of the Grantee's facilities, no charge shall be made by the Grantee against the Franchising Authority for restoration and repair, unless such acts amount to gross negligence by the Franchising Authority.

**8.6 Tree Trimming.** Grantee or its designee shall have the authority to trim trees on public property at its own expense as may be necessary to protect its wires and facilities.

**8.7 Relocation for the Franchising Authority.** The Grantee shall, upon receipt of reasonable advance written notice, to be not less than five (5) business days, protect, support, temporarily disconnect, relocate, or remove any property of Grantee when lawfully required by the Franchising Authority by reason of traffic conditions, public safety, street vacation, freeway

**8.8 Relocation for a Third Party.** The Grantee shall, on the request of any person holding a lawful permit issued by the Franchising Authority, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Street as necessary any property of the Grantee, provided that the expense of such is paid by any such person benefiting from the relocation and the Grantee is given reasonable advance written notice to prepare for such changes. The Grantee may require such payment in advance. For purposes of this subsection, "reasonable advance written notice" shall be no less than ten (10) calendar days in the event of a temporary relocation and no less than one hundred twenty calendar days (120) for a permanent relocation.

**8.9 Reimbursement of Costs.** If funds are available to any person using the Streets for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall reimburse the Grantee in the same manner in which other persons affected by the requirement are reimbursed. If the funds are controlled by another governmental entity, the Franchising Authority shall make application for such funds on behalf of the Grantee.

Franchising Authority shall permit only appropriately trained and authorized Persons to operate the EAS equipment and shall take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in inappropriate use thereof, or any loss or damage to the Cable System. The Franchising Authority shall indemnify Grantee for any damages, liability or claims against Grantee resulting from the Franchising Authority's use of the EAS or its replacement.

**8.11 Use of Grantee Facilities.** The Franchising Authority shall have the right, during the life of this Franchise, to install and maintain free of charge upon the poles owned by the Grantee and conduit owned by the Grantee any wire and pole fixtures that do not unreasonably interfere with the current or future system operations of the Grantee. This right shall not apply to any facilities used by the Franchising Authority or other public or quasi-public body or entity funded in whole or part, directly or indirectly, by any government funds or entity to compete with Grantee. The Franchising Authority shall remove at its own expense any of the foregoing wire or pole fixtures within 60 (sixty) days of written request by Grantee to do so if such wire or pole fixtures, at some time after their placement, begin to interfere unreasonably with Grantee's operations.

## **SECTION 9** **SERVICE REQUIREMENTS**

**9.2 Notification of Service Procedures.** The Grantee shall furnish each Subscriber at the time service is installed, written instructions that clearly set forth information concerning the

procedures for making inquiries or complaints, including the Grantee's name, address and local telephone number. Grantee shall give the Franchising Authority thirty (30) days prior notice of any rate increases, channel lineup or other substantive service changes.

**9.3 Rate Regulation.** To the extent that Federal regulation may now, or as the same may hereafter be amended to, authorize the Franchising Authority to regulate the rates for any particular service tiers, service packages, equipment, or any other services provided by Grantee, the Franchising Authority shall have the right to exercise rate regulation to the full extent authorized by law, or to refrain from exercising such regulation for any period of time, at the sole discretion of the Franchising Authority. If and when exercising rate regulation, the Franchising Authority shall abide by the terms and conditions set forth by the FCC.

**9.4 Customer Service Standards.** Grantee shall be bound by the FCC's Customer Service Standards, as they may be amended from time to time. For reference only, the FCC Customer Service Standards, as they existed on the Effective Date of this Franchise Agreement, are reprinted in Exhibit A.

**9.5 Continuity of Service.** It shall be the right of all Subscribers to continue receiving Cable Service insofar as their financial and other obligations to the Grantee are honored. In the event that the Grantee elects to overbuild, rebuild, modify, or sell the Cable System, or the Franchising Authority gives notice of intent to terminate or fails to renew this Franchise, the Grantee shall act so as to ensure that all Subscribers receive continuous, uninterrupted service unless circumstances are beyond the control of the Grantee, unforeseen circumstances, or acts of God. In the event of a change of Grantee, or in the event a new operator acquires the Cable System, the Grantee shall cooperate with the Franchising Authority, new Grantee or operator in maintaining continuity of service to all Subscribers. During such period, Grantee shall be entitled to the revenues for any period during which it operates the Cable System.

## **SECTION 10** **Franchise Fee**

**10.1 Amount of Fee.** Grantee shall pay to the Franchising Authority an annual franchise fee in an amount equal to five percent (5%) of the annual Gross Revenue, excluding Internet services. Such payment shall be in addition to any other taxes or permit fees of general applicability owed to the Franchising Authority by the Grantee that are not included as franchise fee under federal law.

**10.2 Payment of Fee.** The fee due the Franchising Authority shall be made on a quarterly basis, within forty-five (45) days of the close of each calendar quarter. The payment period shall commence as of the Effective Date of the Franchise. Each payment shall be accompanied by a written report to Franchising Authority, verified by a financial representative containing a detailed breakdown of the various components of the total revenue reported, including the number of customers served by basic cable service.

**10.3 Accord and Satisfaction.** No acceptance of any payment by the Franchising Authority shall be construed as a release or as an accord and satisfaction of any claim the Franchising Authority may have for further or additional sums payable as a franchise fee under this Franchise or for the performance of any other obligation of the Grantee.

**10.4 Limitation on Recovery.** In the event that any Franchise payment or recomputed payment is not made on or before the dates specified herein, Grantee shall pay an interest charge, computed from such due date, at the annual rate of one percent over the prime interest rate. The period of limitation for recovery of any franchise fee payable hereunder shall be three (3) years. Any additional amount due Franchising Authority shall be paid within sixty (60) days of Franchising Authority's submitting an invoice for such sum providing Grantee does not contest same, and if such sum shall exceed four percent (4%) of the total Franchise Fee which an audit determines should have been paid for any previous calendar years, Grantee shall also pay Franchising Authority's cost of auditing those calendar years as well. Any amounts overpaid by the Grantee shall be deducted from future franchise fee payments.

**11.2 Transfer Without Consent Deemed Violation.** By its acceptance of this Franchise, the Grantee specifically grants and agrees that any such sale, assignment or transfer of the Franchise occurring without prior approval of the Franchising Authority in accordance with Section 11.1 above shall constitute a violation of this Franchise by the Grantee.

**11.3 Transfer to Affiliates.** The foregoing requirements shall not apply to any sale, assignment or transfer to any Person that is owned or controlled by the Grantee, or any Person that owns or controls the Grantee. Grantee shall fully cooperate in making available its records and otherwise assisting in these activities. Grantee may require the Franchising Authority, or any of its employees, agents or representatives who will have access to such information to sign a confidentiality agreement, subject to state law, prior to the release of any of this information. The confidentiality provisions in Sec. 12.3 shall also apply in situations under Sec. 12.2. The Franchising Authority shall, in good faith, make every effort to accommodate Grantee by viewing on Grantee's premises, such data or documents that Grantee identifies as being of a highly competitive or of a confidential or proprietary nature, provided however, Grantee shall provide Franchising Authority at Franchising Authority's place of business or other designated location, with such financial documents as are reasonably necessary for the Franchising Authority to conduct an audit to determine the accuracy of past franchise fee payments.

To the extent allowed by law, the Franchising Authority agrees to treat as confidential any books, records, or maps that constitute proprietary or confidential information to the extent Grantee make the Franchising Authority aware of such confidentiality. If the Franchising Authority believes it must release any such confidential books or records in the course of enforcing this Franchise, or for any other reason, it shall advise Grantee in advance so that Grantee may take appropriate steps to protect its interests. Until

otherwise ordered by a court or agency of competent jurisdiction, the Franchising Authority agrees that, to the extent permitted by state and federal law, it shall deny access to any of Grantee's books and records marked confidential, as set forth above, to any Person.

In addition, the Grantee shall furnish to the Franchising Authority, without installation or monthly charges, one outlet to each Police and Fire Station, and to any owned and occupied administration building of the Franchising Authority, hereinafter referred to Public Buildings. In recognition of the contribution that the Grantee is providing to the Franchising Authority with such free services, Grantee shall be entitled to place a sign in the public facilities that identifies the Grantee's contribution and to mention such contribution in any marketing or publicity materials that Grantee provides to its customers. Grantee shall provide such free service as described above to any new constructed school or public building within six (6) months of Franchising Authority's request, provided such building is within one hundred fifty (150) feet of Grantee's Cable System.

**13.2 Limitations on Use.** The Cable Service provided pursuant to this Section shall not be used for commercial purposes and such outlets shall not be located in areas open to the public. The Franchising Authority shall take reasonable precautions to prevent any use of the Grantee's Cable System that results in the inappropriate use thereof or any loss or damage to the Cable System. The Franchising Authority shall hold the Grantee harmless from any and all liability or claims arising out of the provision and use of Cable Service required by subsection 13.1 above. The Grantee shall not be required to provide an outlet to any such building where a standard drop of more than one hundred fifty (150) feet or additional electronics are required, unless the Franchising Authority building owner/occupant agrees to pay the incremental cost of any necessary extension or installation.

Said equipment is limited to transmit and receive equipment and does not include cameras, editing, playback equipment or any other equipment the Franchising Authority may need in order to create programming on the Franchising Authority's EG channels.

**13.5 Educational Government (EG) Funding.** Upon request by the Franchising Authority, and activation of the channel referenced in Section 13.3, Grantee shall collect and pay Franchising Authority an amount equal to One Dollar (\$1.00) per Basic Cable Services customer per month and remit such amount to Franchising Authority in conjunction with franchise fee payments, provided however any such EG Funding payments shall be itemized separately on the customer's bill and on the payment to the Franchising Authority. All EG Funding must be used by Franchising Authority solely for capital expenditures related to the EG Access Channel(s).

**13.5.1** If Grantee provides a studio and associated equipment to the Franchising Authority for the purposes of providing programming for the EG channels, then Grantee shall be entitled to a credit against all monies incurred for such capital equipment against the EG funding requirement in Section 12.5, provided however that the credited amount shall not exceed One Hundred Thousand Dollars (\$100,000.00).

## **SECTION 14** **Enforcement and Revocation**

**14.1 Notice of Violation.** If the Franchising Authority believes that the Grantee has not complied with the terms of the Franchise, the Franchising Authority shall first informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of the alleged noncompliance.

**14.2 Grantee's Right to Cure or Respond.** The Grantee shall have thirty (30) calendar days from receipt of the notice described in subsection 14.1 to (i) respond to the Franchising Authority, contesting the assertion of noncompliance, or (ii) to cure such default, or (iii) if, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

**14.3 Public Hearing.** If the Grantee fails to respond to the notice received from the Franchising Authority pursuant to the procedures set forth in subsection 14.2, or if the default is not remedied within the cure period set forth above, the Board shall schedule a public hearing if it intends to continue its investigation into the default. The Franchising Authority shall provide the Grantee at least twenty calendar (20) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, notice of which shall be published by the Clerk of the Franchising Authority in a newspaper of general circulation within the Franchising Authority in accordance with subsection 15.5 hereof.

**14.4 Enforcement.** Subject to applicable federal and state law, in the event the Franchising Authority, after the hearing set forth in subsection 14.3 above, determines that the Grantee is in default of any provision of the Franchise, the Franchising Authority may:

Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or Commence an action at law for monetary damages or seek other equitable relief; or

In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise itself in accordance with subsection 14.5 below.

- (a) In addition to any other remedies available at law or equity, the Franchising Authority has the right to apply any one or combination of the following remedies in the event a Grantee violates any Franchising Authority Ordinance , its franchise agreement, or applicable state or federal law:
  - (1) Liquidated Damages. The Franchising Authority may impose liquidated damages in the following amounts. Payment of liquidated damages by the Grantee will not relieve the Grantee of its obligation to comply with the franchise agreement and Ordinance requirements.
    - (A) For failure to substantially complete system construction or line extensions as required, unless the Franchising Authority specifically approves a delay for good cause shown, Grantee shall pay up to One thousand Dollars (\$1,000) per day for each day, or part thereof, the deficiency continues.
    - (B) For material failure to provide data, documents, reports or information in a timely manner as required, Grantee shall pay up to Two Hundred Dollars (\$200) per day, or part thereof, that each violation occurs or continues.
    - (C) For failure to substantially comply with the material provisions of Sections relating to: Minimum Facilities and Services, access channels and Technical Standards of this Franchise , Grantee shall pay up to One thousand Dollars (\$1,000) per day for each day, or part thereof, that the violation continues.

Following receipt of such notice, Grantee and the Franchising Authority shall have a thirty (30) calendar day period during which time Grantee and the Franchising Authority shall make good faith reasonable efforts to resolve the dispute in question. If the dispute is not resolved in that thirty (30) calendar day period, the Franchising Authority may collect liquidated damages owed, either through drawdown of the security fund as provided in any Franchising Authority Ordinance, or through any other means allowed by law.
- (b) In determining which remedy or remedies are appropriate, the Franchising Authority shall take into consideration the nature of the breach, the person or persons bearing the impact of the breach, and such other matters as the Franchising Authority determines are appropriate.
- (c) In addition to or instead of any other remedy, the Franchising Authority may seek legal or equitable relief from any court of competent jurisdiction.
- (d) Failure of the Franchising Authority to enforce any requirements of a franchise agreement or any Franchising Authority Ordinance shall not constitute a waiver of the Franchising Authority's right to enforce that violation or subsequent violations of the same type or to seek appropriate enforcement remedies.
- (e) Notwithstanding other provisions of any Franchising Authority Ordinance, the fees, penalties, and procedures for the assessment of liquidated damages for non-compliance with the Customer Service and Consumer Protection requirements shall be as set forth in Exhibit A hereto.

#### **14.5 Revocation.**

A. Prior to revocation or termination of the Franchise, the Franchising Authority shall give written notice to the Grantee of its intent to revoke the Franchise on the basis of a pattern of noncompliance by the Grantee, including one or more instances of substantial noncompliance with a material provision of the Franchise. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have sixty (60) calendar days from such notice to object in writing and to state its reasons for such objection and provide any explanation. If the Franchising Authority has not received a satisfactory response from Grantee, it may then seek to revoke the Franchise at a public hearing. The Grantee shall be given at least ten (10) calendar days prior written notice of such public hearing, specifying the time and place of such hearing and stating its intent to revoke the Franchise.

B. At the hearing, the Council shall give the Grantee an opportunity to state its position on the matter, present evidence and question witnesses, after which it shall determine whether or not the Franchise shall be revoked. The public hearing shall be on the record and a written transcript shall be made available to the Grantee within ten (10) calendar days. The decision of the Council shall be made in writing and shall be delivered to the Grantee. The Grantee may appeal such determination to an appropriate court.

C. The Board shall hear any persons interested therein, and shall reasonably determine whether or not any default, failure, refusal or neglect by the Grantee was with just cause.

Notwithstanding the foregoing, the Grantee may abandon any property in place in the public rights-of-way or public property upon written notice to the Franchising Authority. ## **SECTION 15**

### **Miscellaneous Provisions**

**15.1 Compliance with State and Federal Laws.** This franchise shall be governed by and construed in accordance with Federal law, the laws of the State of Tennessee and the City of Clarksville. Grantee further acknowledges by acceptance of this Franchise Agreement that it has carefully read the terms and conditions of this Franchise Agreement and any applicable cable ordinance of City, as it exists upon the execution date of this franchise agreement, and accepts the obligations imposed thereby regardless of whether such obligations are contained in the Franchise Agreement or such cable ordinance, or both. As of the Effective Date, and without waiving any rights Grantee may have to challenge the lawfulness or enforceability of this Franchise Agreement or ordinances in the future, Grantee does not contend that any provisions of the Franchise Agreement is unlawful or unenforceable, nor is it aware of any ordinance which it contends is unlawful or unenforceable. Notwithstanding any other provisions of this Franchise to the contrary, the Grantee shall at all times comply with all laws and regulations of the State and federal government or any administrative agencies thereof which relate to the conduct of Grantee's business. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of

materials. Furthermore, the parties hereby agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fine, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise territory, or where strict performance would result in practical difficulties and hardship to the Grantee which outweighs the benefit to be derived by the Franchising Authority and/or Subscribers.

**15.3 Action of Parties.** In any action by the Franchising Authority or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner. Furthermore, in any instance where approval or consent is required under the terms hereof, such approval or consent shall not be unreasonably withheld.

**15.6 Severability.** If any section, subsection, sentence, clause, phrase, or portion of this Franchise is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions of this Franchise.

**15.7 Entire Agreement.** This Franchise sets forth the entire agreement between the parties respecting the subject matter hereof. All agreements, covenants, representations and warranties, express and implied, oral and written, of the parties with regard to the subject matter hereof are

An operator may not cancel an appointment with a customer after the close of business on the business day prior to the scheduled appointment.

If a cable operator representative is running later for an appointment with a customer and will not be able to keep the appointment as scheduled, the customer will be contacted. The appointment will be rescheduled, as necessary, at a time which is convenient for the customer.

Formatted: Level 1

**2.1 Grant.** The Franchising Authority ~~franchise~~ hereby grants to the Grantee a nonexclusive Franchise which authorizes the Grantee to erect, construct, operate and maintain in, upon, along, across, above, over and under the Streets, now in existence and as may be created or established during its terms; any poles, wires, cable, underground conduits, manholes, and other conductors and fixtures necessary for the maintenance and operation of a Cable System. Nothing in this Franchise shall be construed to prohibit the Grantee from offering any service over its Cable System that is not prohibited by federal, State or local law.

**2.2 Term.** The Franchise and the rights, privileges and authority hereby granted shall be for an initial term of ~~approximately three and one half five~~ years (~~31/2 5~~) years commencing on the Effective Date of this Franchise ~~of January 1, 2015,~~ and ending on December 31, ~~2014 2020~~, as set forth in subsection 15.8, unless otherwise lawfully terminated in accordance with the terms of this Franchise.

### **2.3 Additional Franchises.**

Formatted: Font: Bold

### **2.3 Additional Franchises.**

**2.3.1 Additional Cable Franchise, Construction or Operation in More Favorable Terms.** If, following the Effective Date, another multichannel video provider (MCVP) constructs and/or operates a cable system in Franchising Authority's jurisdiction, whether or not franchised by a process similar to Grantee's, and the Grantee believes that said MCVP's franchise or unfranchised operating situation bestows benefits and imposes burdens on such third party which on balance, are materially more advantageous to such third party than the benefits bestowed and imposed on the Grantee by this Agreement are to the Grantee, then, at any time, the Grantee may request that the Franchising Authority make a determination to such effect and, in the event of such a determination, request renegotiation of terms and conditions of this Agreement as provided below. The Franchising Authority shall provide advance written public notice of any third party application to obtain an Additional Cable Franchise Agreement.

**2.3.2 Procedure.** In the event of such a request, the Franchising Authority will consult with the Grantee to determine, under its standard procedures, whether the Additional Cable Franchise Agreement or unfranchised operating situation bestows benefits and imposes burdens

on the third party, which on balance, are materially more advantageous to the third party than the benefits and burdens imposed by this Agreement are to the Grantee.

2.3.3 In making a determination under this subsection, the Franchising Authority will consult with the Grantee to consider factors such as, but not limited to: (i) the term of the franchise; (ii) the franchise fee to be paid by each Grantee, including the Grantee herein; (iii) the number and density of dwelling units to be served; (iv) differences in construction, operational and maintenance costs; (v) differences in required system characteristics, including state-of-the-art requirements; (vi) differences in service obligations, including EG Access and institutional service requirements; (vii) differences in permitted Grantee fees and charges; and (viii) such other factors and considerations as it considers to be relevant to an inquiry into the overall economic, technical and operational comparability of the agreements or situations. If the Franchising Authority determines that the Additional Cable Franchise Agreement or unfranchised operating situation bestows benefits and imposes burdens on the third party which, on balance, are materially more advantageous to the third party than the benefits bestowed and burdens imposed by this agreement are to the Grantee, then upon the Grantee's request, the Franchising Authority and the Grantee shall enter into good faith negotiations to seek to modify this Agreement to bestow benefits and impose burdens which, on balance, create overall economic, technical and operational comparability between this Agreement and the Additional Cable Franchise Agreement or unfranchised operating situation.

**2.4 Police Powers and Conflicts with Franchise.** In accepting this Franchise, the Grantee acknowledges that its rights hereunder are subject to the police power of the Franchising Authority to adopt and enforce the laws and regulations of general applicability necessary to the safety and welfare of the public; and it agrees to comply with all applicable general laws and franchises enacted by the Franchising Authority pursuant to such power. Subject to its lawful police powers, the Franchising Authority may not, by franchise or otherwise, alter any of the Grantee's material rights, benefits, obligations or duties as specified in this Franchise. **3.2 Assessment of Needs.** In addition to the procedures set forth in Section 626(a) of the Cable Act, the Franchising Authority agrees to notify the Grantee of all of its assessments

regarding the identity of future cable-related community needs and interests, as well as the past performance of the Grantee under the then current Franchise term. The Franchising Authority further agrees that any such assessments shall be provided to the Grantee promptly so that the Grantee has adequate time to submit a proposal under Section 626(b) of the Cable Act and complete renewal of the Franchise prior to expiration of its term.

The costs for such removal or modification shall be paid by Grantee if all other users of the streets are also required to pay such costs for their facilities.

**8.2 Underground Construction.** The facilities of the Grantee shall be installed underground in those Service Areas where existing telephone and electric services are both underground at the time of system construction. **8.8 Relocation for a Third Party.** The Grantee shall, on the request of any person holding a lawful permit issued by the Franchising Authority, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Street as necessary any property of the Grantee, provided that the expense of such is paid by any such person benefiting from the relocation and the Grantee is given reasonable advance written notice to prepare for such changes. The Grantee may require such payment in advance. For purposes of this subsection, "reasonable advance written notice" shall be no less than ten (10) ~~business day~~ calendar days in the event of a temporary relocation and no less than one hundred twenty calendar days (120) for a permanent relocation.

**8.9 Reimbursement of Costs.** If funds are available to any person using the Streets for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall reimburse the Grantee in the same manner in which other persons affected by the requirement are reimbursed. If the funds are controlled by another governmental entity, the Franchising Authority shall make application for such funds on behalf of the Grantee.

**8.11 Use of Grantee Facilities.** The Franchising Authority shall have the right, during the life of this Franchise, to install and maintain free of charge upon the poles owned by the Grantee and conduit owned by the Grantee any wire and pole fixtures that do not unreasonably interfere with the current or future system operations of the Grantee. This right shall not apply to any facilities used by the Franchising Authority or other public or quasi-public body or entity funded in whole or part, directly or indirectly, by any government funds or entity to compete with Grantee. The

Franchising Authority shall remove at its own expense any of the foregoing wire or pole fixtures within 60 (sixty) days of written request by Grantee to do so if such wire or pole fixtures, at some time after their placement, begin to interfere unreasonably with Grantee's operations.

In the event that the Grantee elects to overbuild, rebuild, modify, or sell the Cable System, or the Franchising Authority gives notice of intent to terminate or fails to renew this Franchise, the Grantee shall act so as to ensure that all Subscribers receive continuous, uninterrupted service unless circumstances are beyond the control of the Grantee, unforeseen circumstances, or acts of God. In the event of a change of Grantee, or in the event a new operator acquires the Cable System, the Grantee shall cooperate with the Franchising Authority, new Grantee or operator in maintaining continuity of service to all Subscribers. **10.4 Limitation on Recovery.** In the event that any Franchise payment or recomputed payment is not made on or before the dates specified herein, Grantee shall pay an interest charge, computed from such due date, at the annual rate of one percent over the prime interest rate. The period of limitation for recovery of any franchise fee payable hereunder shall be three (3) years. (A) For failure to substantially complete system construction or line extensions as required, unless the Franchising Authority specifically approves a delay for good cause shown, Grantee shall pay up to One thousand Dollars (\$1,000) per day for each day, or part thereof, the deficiency continues.

  - (c) In addition to or instead of any other remedy, the Franchising Authority may seek legal or equitable relief from any court of competent jurisdiction.
  - (d) Failure of the Franchising Authority to enforce any requirements of a franchise agreement or any Franchising Authority Ordinance shall not constitute a waiver of the Franchising Authority's right to enforce that violation or subsequent violations of the same type or to seek appropriate enforcement remedies.
  - (e) Notwithstanding other provisions of any Franchising Authority Ordinance, the fees, penalties, and procedures for the assessment of liquidated damages for non-compliance with the Customer Service and Consumer Protection requirements shall be as set forth in Exhibit A hereto.

The notice shall set forth the exact nature of the noncompliance. The Grantee shall have sixty ~~-(60)~~ calendar days from such notice to object in writing and to state its reasons for such objection and provide any explanation. If the Franchising Authority has not received a satisfactory response from Grantee, it may then seek to revoke the Franchise at a public hearing. As of the Effective Date, and without waiving any rights Grantee may have to challenge the lawfulness or enforceability of this Franchise Agreement or ordinances in the future, Grantee does not contend that any provisions of the Franchise Agreement is unlawful or unenforceable, nor is it aware of any ordinance which it contends is unlawful or unenforceable. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which Grantee's Cable System is attached, as well as unavailability of materials. Furthermore, the parties hereby agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fine, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise territory, or where strict performance would result in practical difficulties and hardship to the Grantee which outweighs the benefit to be derived by the Franchising Authority and/or Subscribers.

**15.3 Action of Parties.** In any action by the Franchising Authority or the Grantee that is mandated or permitted under the terms hereof, such party shall act in a reasonable, expeditious and timely manner.
