### **GAS & WATER REFUNDING BONDS**

**RESOLUTION 15-2017-18** Authorizing the issuance, sale, and payment of water, sewer, and gas revenue refunding bonds, Series 2017 of the City of Clarksville, Tennessee

There was no objection to the Mayor's request to go out of special session to hear comments from Josh McCoy, Senior Managing Consultant, Public Financial Management, Inc. Mr. McCoy announced the City's bond rating had just been upgraded from AA- to AA and gave credit to the management of the Gas & Water Department's operation of the utility system. He said higher ratings allow for

lower borrowing rates and increased savings. Mayor McMillan recognized Gas & Water Chief Financial Officer Fred Klein who said this refunding will save the department \$3.5 million. Mr. Klein mentioned the request was being made prior to the possible adoption of a Congressional bill that would make municipal bonds taxable and noted non-taxable bonds can be sold at a lower rate. In response to Councilwoman McLaughlin's question, Gas & Water General Manager Pat Hickey said anticipated FEMA proceeds from the sewer treatment plant claim could not be applied to this refunding issue, but would be applied to previous issues.

There was no objection to reversion to special session. Councilman Grubbs made a motion to adopt this resolution. The motion was seconded by Councilman Powers. The following vote was recorded:

The Chair may amend the Plan on behalf of all Employers, including those Employers who have adopted the Plan prior to a restatement or amendment of the Plan, for changes in the Code, the regulations thereunder, Tennessee law, revenue rulings, other statements published by the Internal Revenue Service ("IRS"), including model, sample, or other required good faith amendments, and for other reasons that are deemed at the Chair's sole discretion to be in the interest of the Plan. These amendments shall be automatically applicable to all Employers.
6. The Chair will maintain, or will have maintained a record of the Employers and will make reasonable and diligent efforts to ensure that Employers have received all Plan amendments.

  - c. The Chair shall (i) determine whether the resolution complies with the Plan, and all applicable federal and state laws, (ii) determine an appropriate effective date, and (iii) provide appropriate forms to terminate ongoing participation. The Employer acknowledges that if the Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its employees participating in the Plan of the termination and the effective date thereof. All benefits under the Plan shall be distributed solely from the Trust Fund pursuant to the Plan.

12. The Employer agrees to offer and enroll only those persons, whether appointed, elected, or under contract, wherein an employee-employer relationship is established, providing service to the Employer for which compensation is paid by the Employer.
13. The Employer understands that IRS rules and Tennessee law limit participation in the Plan to governmental entities and their respective employees. The Employer will notify the Chair in writing within ten (10) calendar days if it ceases to be a governmental entity under applicable federal or Tennessee law, and/or if it discovers that it is transferring or having transferred employee deferrals and/or employer contributions to the Plan on behalf of an individual who does not meet the requirements in Paragraph 12 above.
14. The Employer acknowledges that the Chair and other Trustees are the fiduciaries of the Plan and have sole and exclusive authority to interpret the Plan and decide all claims and appeals for Plan benefits. The Employer agrees to abide by the Chair's decisions on all matters involving the Plan.

The Chair shall determine whether the resolution and the Agreement comply with the Plan, and, if they do, shall provide appropriate forms to the Employer to implement participation in the Plan. The Chair may refuse to approve a Participating Employer Agreement executed by an Employer that, in the Chair's sole discretion, does not qualify to participate in the Plan.
16. The Governing Authority hereby acknowledges that it is responsible to assure that this resolution and the Participating Employer Agreement are adopted and executed in accordance with the requirements of applicable law.

Such contributions shall be made as of each payroll period and allocated to the Mandatory Employee Contribution Account of the Participant on whose behalf they were made and shall be 100% vested at all times.

By the adoption of this Participating Employer Agreement, the Employer specifies that the mandatory employee salary reduction contributions, although designated as employee contributions, are being paid via salary reduction by the Employer as provided in Code § 414(h)(2) and Revenue Ruling 2006-43 or subsequent guidance. For this purpose, the adoption of this Participating Employer Agreement constitutes formal action to provide that the contributions on behalf of a specific class of Employees as defined in Section E, although designated as employee contributions, will be paid by the employing unit in lieu of employee contributions.

In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done.

## RESOLUTION

WHEREAS, \_\_\_\_\_, Tennessee (hereinafter referred to as the "Employer") has determined that in the interest of attracting and retaining qualified employees, it wishes to offer a governmental 457(b) deferred compensation plan, funded by employee deferrals and, if elected pursuant to Section I and/or K of the Participating Employer Agreement, employer contributions;

WHEREAS, Tennessee Code Annotated, Section 8-25-111(a) allows a Tennessee local governmental entity to participate in the State of Tennessee's 457(b) deferred compensation plan subject to the approval of the Chair of the Tennessee Consolidated Retirement System (hereinafter referred to as the "Chair");

WHEREAS, the liability for participation and the costs of administration shall be the sole responsibility of the Employer and/or its employees, and not the State of Tennessee;

WHEREAS, the Employer has also determined that it wishes to encourage employees' saving for retirement;

WHEREAS, the Employer has reviewed the Tennessee State Employees Deferred Compensation Plan and Trust Adoption Agreement for a Section 457(b) Eligible Deferred Compensation Plan for Governmental Employers, as adopted by the State of Tennessee, as amended and restated effective December 22, 2010, and as amended by Amendment Number One signed December 22, 2010, and Amendment Number Two signed February 8, 2012, as well as the Section 457(b) Eligible Deferred Compensation Plan for Governmental Employer Basic Plan Document (collectively known as the "Plan" or "Plan Document");

WHEREAS, the Employer wishes to provide certain benefits to its employees, reduce overall administrative costs, and afford attractive investment opportunities;

WHEREAS, the Employer is eligible to become a Participating Employer in the Plan, pursuant to Article XVII of the Plan Document;

WHEREAS, the Employer is concurrently executing a Participating Employer Agreement for the Plan; and

WHEREAS, the \_\_\_\_\_ ("Governing Authority") of the Employer is authorized by law to adopt this resolution approving the Participating Employer Agreement on behalf of the Employer;

NOW, THEREFORE, the Governing Authority of the Employer hereby resolves:

1. The Employer adopts the Plan Document for its Employees; provided, however, that for the purpose of the Plan, the Employer shall be deemed to have designated irrevocably the Chair as its agent, except as otherwise specifically provided herein or in the Participating Employer Agreement.

2. The Employer acknowledges that the Plan does not cover, and the Trustees of the Plan ("Trustees") have no responsibility for, other employee benefit plans maintained by the Employer.
3. The Employer acknowledges that it may not provide employer contributions to the Plan on behalf of any of its employees that exceed three percent (3%) of the respective employees' salary if the employees are members of the Tennessee Consolidated Retirement System ("TCRS") or of any other retirement program financed from public funds whereby such employees obtain or accrue pensions or retirement benefits based upon the same period of service to the Employer, unless such employees are members of TCRS' local government hybrid plan established under Tennessee Code Annotated, Section 8-35-256 or TCRS' State hybrid plan established under Tennessee Code Annotated, Title 8, Chapter 36, Part 9. If such employees participate in either of the hybrid plans, the total combined amount of employer contributions to the Plan and to any one or more additional defined contribution plans may not exceed seven percent (7%) of the respective employee's salary. In no instance shall the total combined employer contributions to all defined contribution plans on behalf of a single employee exceed the maximum allowed under the Internal Revenue Code ("Code"), and shall conform to all applicable laws, rules and regulations of the Internal Revenue Service ("IRS") governing profit sharing and/or salary reduction plans for governmental employees.
4. The Employer hereby adopts the terms of the Participating Employer Agreement, which is attached hereto and made a part of this resolution. The Participating Employer Agreement (a) permits all employees of the respective entity to make elective deferrals; (b) sets forth the Employees to be covered pursuant to Section I and/or K of the Participating Employer Agreement for employer contributions, if any; (c) outlines the benefits to be provided by the Participating Employer under the Plan; and, (d) states any conditions imposed by the Participating Employer with respect to, but not inconsistent with, the Plan. The Participating Employer reserves the right to amend its elections under the Participating Employer Agreement, so long as the amendment is not inconsistent with the Plan, the Code, Tennessee law, or other applicable law and is approved by the Chair.
5. The Chair may amend the Plan on behalf of all Employers, including those Employers who have adopted the Plan prior to a restatement or amendment of the Plan, for changes in the Code, the regulations thereunder, Tennessee law, revenue rulings, other statements published by the Internal Revenue Service ("IRS"), including model, sample, or other required good faith amendments, and for other reasons that are deemed at the Chair's sole discretion to be in the interest of the Plan. These amendments shall be automatically applicable to all Employers.
6. The Chair will maintain, or will have maintained, a record of the Employers and will make reasonable and diligent efforts to ensure that Employers have received all Plan amendments.
7. The Employer shall abide by the terms of the Plan, including amendments to the Plan and Trust made by the Chair, all investment, administrative, and other service agreements of the Plan, and all applicable provisions of the Code, Tennessee law, and other applicable law.

8. The Employer accepts the administrative services to be provided by the Tennessee Treasury Department and any services provided by Plan vendors. The Employer acknowledges that fees will be imposed with respect to the services provided and that such fees may be deducted from the Participants' Accounts and/or charged to the Employer.
9. Subject to the provisions of Section 17.06 of the Plan, the Employer may terminate its participation in the Plan, including but not limited to, its contribution requirements pursuant to the Plan, if it takes the following actions:
  - a. A resolution must be adopted by the Governing Authority of the Employer terminating the Employer's participation in the Plan.
  - b. The resolution must specify the proposed date when the participation will end, which must be at least six calendar months after notice to the Chair and the Employer's employees.
  - c. The Chair shall (i) determine whether the resolution complies with the Plan, and all applicable federal and state laws, (ii) determine an appropriate effective date, and (iii) provide appropriate forms to terminate ongoing participation. Distributions under the Plan of existing accounts to Participants will be made in accordance with the Plan Document.
  - d. Once the Chair determines the appropriate effective date, the Employer shall immediately notify all its Employees participating in the Plan of the termination and the effective date thereof.
  - e. The Chair can, in the Chair's sole discretion, reduce the six month notice and withdrawal period to a shorter period if the Employer so requests, but in no event shall the period be less than three months.
10. The Employer acknowledges that the Plan Document contains provisions for Plan termination by the Trustees, subject to applicable Tennessee law.
11. The Employer acknowledges that all assets held in connection with the Plan, including all contributions to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, shall be held in trust for the exclusive benefit of Participants and their Beneficiaries under the Plan. No part of the assets and income of the Plan shall be used for, or diverted to, purposes other than for the exclusive benefit of Participants and their Beneficiaries and for defraying reasonable expenses of the Plan. All amounts of compensation deferred pursuant to the Plan, all property and rights acquired or purchased with such amounts and all income attributable to such amounts, property or rights held as part of the Plan, shall be transferred to the Trustees to be held, managed, invested and distributed as part of the Trust Fund in accordance with the provisions of the Plan. All contributions to the Plan must be timely transferred by the Employer to the Trust Fund pursuant to and in the manner provided by the Chair. The Employer acknowledges that if the Employer fails to remit the requisite contributions in a timely manner, the Chair reserves the right, at the Chair's sole discretion, to terminate the Employer's participation in the Plan. In such event, the Chair shall notify the Employer of the effective termination date, and the Employer shall immediately notify all its employees

participating in the Plan of the termination and the effective date thereof. Notwithstanding the foregoing, the Employer acknowledges that it is the sole responsibility of the Employer to remit the requisite reports and contributions to the Plan and that neither the State, the Chair, the Trustees, its employees, or agents shall have any responsibility or liability for ensuring or otherwise monitoring that this is done. All benefits under the Plan shall be distributed solely from the Trust Fund pursuant to the Plan.

12. The Employer agrees to offer and enroll only those persons, whether appointed, elected, or under contract, wherein an employee-employer relationship is established, providing service to the Employer for which compensation is paid by the Employer.
13. The Employer understands that IRS rules and Tennessee law limit participation in the Plan to governmental entities and their respective employees. The Employer will notify the Chair in writing within ten (10) calendar days if it ceases to be a governmental entity under applicable federal or Tennessee law, and/or if it discovers that it is transferring or having transferred employee deferrals and/or employer contributions to the Plan on behalf of an individual who does not meet the requirements in Paragraph 12 above.
14. The Employer acknowledges that the Chair and other Trustees are the fiduciaries of the Plan and have sole and exclusive authority to interpret the Plan and decide all claims and appeals for Plan benefits. The Employer agrees to abide by the Chair's decisions on all matters involving the Plan.
15. This resolution and the Participating Employer Agreement shall be submitted to the Chair for approval. The Chair shall determine whether the resolution and the Agreement comply with the Plan, and, if they do, shall provide appropriate forms to the Employer to implement participation in the Plan. The Chair may refuse to approve a Participating Employer Agreement executed by an Employer that, in the Chair's sole discretion, does not qualify to participate in the Plan.
16. The Governing Authority hereby acknowledges that it is responsible to assure that this resolution and the Participating Employer Agreement are adopted and executed in accordance with the requirements of applicable law.

*WHEREAS*, Clarksville Gas and Water retained Raftelis Financial Consultants to develop a comprehensive financial plan, cost of service study and rate plan; and

*WHEREAS*, the Natural Gas Rate Study Report recommends rate revenue adjustments to better align the cost of serving each class with the revenues generated by that class and rate structure adjustments to better align the City's rate structure with industry best practices for natural gas utility rates.

DAILY TRANSPORTATION BALANCING CHARGES:

Customer shall pay a daily transportation balancing charge to the Department as set forth in the Natural Gas Interruptible Transportation Agreement between the Department and the customer for variances between the quantities that the customer has scheduled for transportation and the quantities that the customer uses at its plant each day. **Customer understands and acknowledges that any takes of Gas by Customer at its plant on any Day that are at variance with Customer scheduled quantities on TGP for that Day shall be accounted for by TGP as a variance amount under TGP's FERC Gas Tariff and Clarksville's Rate Schedule FT G service agreement with TGP and are subject to the daily load balancing provisions set forth in Section 8 of that Rate Schedule. As a result, any variance between the quantities of Gas redelivered to Customer as measured at the meter at Customer plant, plus Shrinkage, and the quantities of Gas scheduled by Customer on TGP for delivery to Clarksville, will be automatically injected into or withdrawn from Clarksville's contract storage under its FS MA firm storage agreement with TGP, as applicable for under takes or over takes, respectively. Accordingly, Clarksville shall charge and Customer shall pay the daily transportation balancing charges set forth in Section 4.2**

of the Agreement as compensation to Clarksville for performance of this daily balancing service. The Parties understand and recognize that Customer intends to schedule on TGP for delivery to Clarksville daily transportation quantities at the beginning of each month that are somewhat in excess, but not greater than ten percent (10%) in excess, of Customer projected average daily use of Gas at the plant, exclusive of Shrinkage. It is the Parties' intent that through this scheduling protocol, Customer shall not at any time take gas supplies owned by Clarksville through automatic withdrawals from Clarksville's FS MA storage or otherwise. In the event Customer on any Day takes Gas in excess of its scheduled quantities and it has not previously built up a balance of Gas in Clarksville's FS MA storage sufficient to serve such takes as required by Section 2.4(a) of the Agreement, Clarksville shall charge Customer a penalty of \$5.00 per Mcf in addition to any gas commodity cost, without limitation as to other rights and remedies that Clarksville may have under this Agreement. Likewise, if on any Day Clarksville takes Gas belonging to Customer, Customer shall charge Clarksville a penalty of \$5.00 per Mcf, without limitation as to other rights and remedies that Customer may have under this Agreement. In addition, Customer shall not schedule gas on TGP for delivery to Clarksville in excess of its requirements at the plant such that the cumulative total of gas injected into storage less Gas withdrawn from storage exceeds 5% of Customer average monthly requirements. In the event Customer does so, Clarksville shall charge Customer a penalty of \$.50 per Mcf of such excess gas injected into storage each day such excess remains in storage. Such charges shall be in addition to all other remedies that Clarksville has and actions Clarksville may take to bring Customer back into balance under this Agreement.

#### MONTHLY GAS BALANCING CHARGES:

Monthly balancing of quantities of gas owned by the customer and delivered to the Department and the quantities of gas used by the customer and charges associated with such balancing shall be as set forth in the Natural Gas Interruptible Transportation Agreement between the Department and the customer.

. The Customer understands and recognizes that while variances between Customer takes of Gas as measured at the meter at its plant, plus Shrinkage, and Customer scheduled quantities on TGP for delivery at Clarksville's city gate are to be balanced daily under the Agreement with respect to the swing transportation and storage service described in Section 2.4(a) of the Agreement, and that the resulting daily transportation balancing charges under Section 4.2 of the Agreement shall be assessed accordingly, balancing of the quantities of Gas consumed by Customer, plus Shrinkage, and the quantities of Gas scheduled for delivery on Clarksville's system by Customer shall be performed monthly, not daily. This monthly balancing of the applicable quantities of Gas shall be performed in accordance with the provisions of Section 4.3 of the Agreement.

The charges and other provisions set forth in Section 4.3 of the Agreement shall apply (i) if Customer in any Month has delivered more Gas to Clarksville at Clarksville's city gate than Customer has taken at the point of delivery exclusive of Shrinkage (a "positive imbalance") or

(ii) if Customer in any month has delivered less Gas to Clarksville's city gate than Customer has taken at the point of delivery, plus Shrinkage (a "negative imbalance"):

(a) Positive Imbalances. If Customer at the end of any Month has a positive imbalance of not greater than 5.0%, Clarksville shall have the option (i) to cash out the imbalance using TGP's cash out provisions in Rate Schedule LMS-MA, Sections 7(d)(vii)(A) and (B) of TGP's FERC Gas Tariff, as amended, (ii) to carry forward the imbalance amount to the next Month, or (iii) to deliver the positive imbalance amount to Customer at the point of delivery during the next succeeding month. If the positive imbalance amount at the end of any Month is greater than 5.0%, Clarksville shall have the right to elect (i) to deliver the positive imbalance amount to Customer during the next ensuing Month or (ii) to pay Customer a cash out amount equal to the "low price" using the imbalance tiers specified in TGP's FERC Gas Tariff, Rate Schedule LMS-MA, Sections 7(d)(vii)(A) and (D), as amended.

(b) Negative Imbalances. If Customer at the end of any Month has a negative imbalance of not greater than 5%, Clarksville shall have the option (i) to cash out the imbalance using TGP's cash out provisions in Rate Schedule LMS-MA, Sections 7(d)(vii)(A) and (B) of TGP's FERC Gas Tariff, as amended, (ii) to carry forward the imbalance amount to the next Month, or (iii) to require Customer to make up the imbalance in kind during the next ensuing Month. If the negative imbalance amount at the end of any Month is greater than 5%, Clarksville shall have the right to elect to require Customer (i) to make up the negative imbalance in kind during the next ensuing Month or (ii) to pay Clarksville an amount equal to the "high price" using the imbalance tiers specified in TGP's FERC Gas Tariff, Rate Schedule LMS-MA, Sections 7(d)(vii)(A) and (C), as amended.

(c) Notification. At least 10 days prior to the end of any Month, Clarksville shall notify Customer by telephone and by fax which imbalance settlement option it has elected for the following Month. Once a method has been selected, it will remain in place until further notice.

Sec. 13-318 is reserved

Sec. 13-319. - Weighted average cost of gas, interruptible service (WACOG).

(1) *Availability*. WACOG interruptible gas service rate shall be available for eligible commercial or industrial customers for all purposes where the department's distribution mains are suitable for supplying the desired service. The department shall establish guidelines to determine customers eligibility for this service.

The customer shall maintain, in a usable condition, facilities for substitute fuel or shall otherwise make provisions for the curtailment of gas service hereunder and shall agree to use such substitute facilities or curtailment provisions in order to curtail the use of gas up to one hundred (100) percent of the maximum requirements immediately upon verbal notice from the department and, after such curtailment, shall refrain from increasing the use of gas until permitted to do so by the department. It is understood and agreed that the department will have

the right to cut off gas service to the customer in the event the customer fails to curtail his use of gas in accordance with the department's verbal notice of curtailment.

(2) *Rate.* The rate shall be as described in Sec. 13-316 (2).

The department and the mayor shall have the authority, under circumstances where it is economically feasible and beneficial for the city to do so, to modify the specific terms of the WAGOC natural gas sales agreement entered into between the department and a specific industrial end use consumer under this section 13-319 as the department and the mayor deem necessary to induce such consumer to locate plant facilities in the city or the city service area, or to locate plant expansions that will increase the consumer's usage of natural gas at its facilities in the city or the city service area, rather than locating such plant facilities or plant expansions in other locations not serve by the department.

(3) *Minimum bill.* For services rendered under the WACOG rate, the minimum monthly bill shall be equal to the monthly meter charge for WACOG customers as listed in Sec. 13-316 (2).

(4) *Contract period and billing.* Contracts shall be for a period of one year with monthly payment of service taken. The customer shall not be allowed to switch from this contract rate during the period covered.

(5) *Penalty for unauthorized use.* In the event a customer uses gas in excess of the daily volumes allowed by the department during a curtailment period, the customer agrees to pay, in addition to the regular rate, an amount the department is penalized by the supplier and/or pipeline for the twelve-month period immediately following the month in which the breaching of the curtailment agreement occurred. Each unauthorized use of gas, whether occurring in the same month or in different months of a contract year, will be subject to a separate penalty.

**Sections 13-215 through 13-219 CURRENT LANGUAGE:**

Sec. 13-315. - Authorization for pass through adjustment.

The chief financial officer/comptroller and the gas manager are hereby authorized to pass gas cost adjustments on to customers, whether increases or decreases, from the supplier of the city gas system to maintain the balanced efficiency of the gas department.

The mayor, public utilities committee members and other governmental officials shall be apprised of such increases or decreases, as the case may be, whenever they occur.

**PASS THROUGH ADJUSTMENT (PTA)**

Due to the volatility of the unregulated cost of gas at the wellhead, all city gas and water department residential, commercial and high load factor rate classes will be adjusted monthly, increased or decreased, by a value called the "Pass Through Adjustment" or PTA. The PTA adjustment is intended to assure that the city gas and water department adjusts for these volatile changes in the wellhead cost of gas.

The "base" cost of gas is the city gas and water department average annual city gate cost of gas. This includes the actual gas plus the interstate pipeline volumetric costs involved in transporting the gas from the source of supply to our city gate regulator station. This cost is established annually and will remain stable throughout our fiscal year (July 1 through June 30).

The "monthly" cost of gas is the city gas and water department actual city gate cost of gas compared to the base cost of gas. If the monthly cost of gas exceeds the base cost of gas, the amount will be an increase. If the monthly cost of gas is less than the base cost of gas, the amount will be a decrease.

The cost of gas at the wellhead, or source of supply, has been unregulated for years and is affected by free market factors such as supply, demand and competition.

The city gas and water department does not profit from the PTA adjustment. It adjusts for the city gas and water department monthly city gate gas costs only. It does not affect operation and maintenance, fixed demand costs, or other costs incurred by the utility.

The PTA will be calculated monthly on the last business day of each month to be applied to the first billing that follows.

Any balance over or under recovery of gas cost at the end of each month may be passed through the subsequent month PTA accordingly.

The "pass through adjustment" shall be effective on bills rendered on or after November 1, 2005.

(Ord. No. 17-2005-06, 10-6-05)

Editor's note— Ord. No. 17-2005-06, adopted October 6, 2005, amended § 13-315 in its entirety to read as herein set out. Formerly, § 13-315 pertained to utility committee authorized to pass on gas adjustments, and derived from the Code of 1963, § 28-66.

Sec. 13-316. - Residential gas service.

Sec. 13-319. - Weighted average cost of gas, interruptible service (WACOG).

(1) Availability. WACOG interruptible gas service rate shall be available for eligible commercial or industrial customers for all purposes where the department's distribution mains are suitable for supplying the desired service. The department shall establish guidelines to determine customers eligibility for this service.

The customer shall maintain, in a usable condition, facilities for substitute fuel or shall otherwise make provisions for the curtailment of gas service hereunder and shall agree to use such substitute facilities or curtailment provisions in order to curtail the use of gas up to one hundred (100) percent of the maximum requirements immediately upon verbal notice from the department and, after such curtailment, shall refrain from increasing the use of gas until permitted to do so by the department. It is understood and agreed that the department will have the right to cut off gas service to the customer in the event the customer fails to curtail his use of gas in accordance with the department's verbal notice of curtailment.

(2) Rate. The rate shall be variable as computed by the department using the weighted average cost of gas (WACOG) plus forty-eight cents (\$0.48) per MCF (1,000 CF) for all gas consumed per month.

The department shall compute two (2) separate WACOG rates each month: (1) a market-based WACOG rate; and (2) a fixed-variable WACOG rate. For the market-based WACOG rate, the department shall compute the commodity costs of gas supply as the first of the month index price as published in Inside FERC's Gas Market Report for deliveries into Tennessee Gas Pipeline—Zone 1 per MMBtu, plus fuel, converted to Mcf. For the fixed-variable WACOG rate, the department shall compute the commodity cost of gas supply as equal to the department's per unit commodity cost of gas supply per MMBtu, including all purchases of fixed price gas, variable priced gas, and hedged gas prices, plus fuel.

Each industrial interruptible WACOG customer may make an annual election to take market-based WACOG pricing for the upcoming twelve (12) months by providing notice in writing to the department by no later than August 15th, with such election to be effective on September 1st. If a WACOG customer

does not make such an election, it shall receive fixed-variable WACOG pricing for the next twelve-month period.

Except as provided herein for the computation of the commodity cost of gas supply, the computation of the market-based WACOG rate and the fixed-variable WACOG rate shall be identical. The upstream pipeline transportation and storage costs component of the WACOG rate shall be as computed by the department so as to reflect an allocation of such costs determined by the department to be appropriate under all of the circumstances presented but no less than the unit cost of interruptible transportation service on the Tennessee Gas Pipeline Company System.

The department, the mayor, and the gas, water and sewer committee (the utilities committee) of the city council shall have the authority, under circumstances where it is economically feasible and beneficial for the city to do so, to modify the specific terms of the natural gas sales agreement entered into between the department and a specific industrial end use consumer under this section 13-219 as the department, the mayor, and the utilities committee of the city council deem necessary to induce such consumer to locate plant facilities in the city or the city service area, or to locate plant expansions that will increase the consumer's usage of natural gas at its facilities in the city or the city service area, rather than locating such plant facilities or plant expansions in other locations not serve by the department.

(3) Minimum bill. For services rendered under this WACOG rate, the minimum monthly bill shall be one hundred dollars (\$100.00) net with a minimum annual net billing of fifteen thousand dollars (\$15,000.00).

(4) Payment terms. All bills for services are due upon presentation and the above-stated net rates shall be allowed if payment is made on or before the last day for payment as specified on the bill. Payments made after that day shall be for the gross amount, which will be greater by ten (10) percent than the net billing.

(5) Contract period and billing. Contracts shall be for a period of one year with monthly payment of service taken. The customer shall not be allowed to switch from this contract rate during the period covered.

(6) Penalty for unauthorized use. In the event a customer uses gas in excess of the daily volumes allowed by the department during a curtailment period, the customer agrees to pay, in addition to the regular rate, an amount the department is penalized by the supplier and/or pipeline for the twelve-month period immediately following the month in which the breaching of the curtailment agreement occurred. Each unauthorized use of gas, whether occurring in the same month or in different months of a contract year, will be subject to a separate penalty.

If (1) the debt has a final maturity of 31 or more years from the date of issuance, (2) principal repayment is delayed for two or more years, or (3) debt service payments are not level throughout the retirement period, then a cumulative repayment schedule (grouped in 5 year increments out to 30 years) including this and all other entity debt secured by the same source **MUST BE PREPARED AND ATTACHED**. For purposes of this form, debt secured by an ad valorem tax pledge and debt secured by a dual ad valorem tax and revenue pledge are secured by the same source.
